Erica B 1:52 AM 01/27/12
Hello!

Erica B 1:53 AM 01/27/12
Hey Clint!

Clint Black 1:53 AM 01/27/12
Hello all!

Robert Hudson 1:53 AM 01/27/12
Evening!

Clint Black 1:54 AM 01/27/12
Seriously, you are messin' with my head, Robert.

Erica B 1:54 AM 01/27/12
he was even here before me Clint.

Clint Black 1:54 AM 01/27/12
LALALALALALALALALA... I'm not Listening!!!

Robert Hudson 1:55 AM 01/27/12
I'll get that last SAN point yet, Clint! Bwa-ha-ha-ha-ha!

Jim Ryan 1:55 AM 01/27/12
(waves)

Clint Black 1:55 AM 01/27/12
Hi Jim!

Jim Ryan 1:56 AM 01/27/12
Allo!

Von Dan 1:56 AM 01/27/12
SO the topic is pulp tonight

Clint Black 1:56 AM 01/27/12
Nope, Fiasco!

Jim Ryan 1:56 AM 01/27/12
I find I prefer my oranges without it.

Clint Black 1:56 AM 01/27/12
And possibly other things from the brilliant mind of Jason Morningstar.

Von Dan 1:56 AM 01/27/12
then i wont need the fedora whip and pistol

Von Dan 1:57 AM 01/27/12
which i am waering but you think i'm kidding

Robert Hudson 1:57 AM 01/27/12
@Von: You *a;ways* need a whip and fedora

Clint Black 1:57 AM 01/27/12
No, I really don't think you are kidding anymore.

Clint Black 1:58 AM 01/27/12
So, we probably have a while before Jason actually shows up (despite his apparent logged in status).

jmstar 1:58 AM 01/27/12
Hey I am here!

jmstar 1:59 AM 01/27/12
ZOOM

Clint Black 1:59 AM 01/27/12
No, you aren't! I'm trying to say how much we appreciate your taking time out of game night, so pretend like you aren't here!

jmstar 1:59 AM 01/27/12
Gotcha

jmstar 2:00 AM 01/27/12
Carry on

gford816 2:00 AM 01/27/12
hello everyone

Jim Ryan 2:00 AM 01/27/12
Allo!

Clint Black 2:00 AM 01/27/12
Jason is awesomely taking time out of his game night to join us tonight. As gamers, I think we can all appreciate what a sacrifice that is, and thank him for it.

Sitting Duck 2:01 AM 01/27/12
Hey there

Jim Ryan 2:01 AM 01/27/12
I fully intend to when he arrives. ;)

Robert Hudson 2:01 AM 01/27/12
Thank you, Jason!

Erica B 2:01 AM 01/27/12
hi Jason, hi Duck

Robert Hudson 2:01 AM 01/27/12
Wherever you are!

jmstar 2:01 AM 01/27/12
Hi Erica, Hi everybody

Clint Black 2:02 AM 01/27/12
Omigod, Jason's already here! What a surprise!!!

Jim Ryan 2:02 AM 01/27/12
(shock) My goodness, he's here! Thank you for taking time out, good sir.

jmstar 2:02 AM 01/27/12
I did, in fact, give up some "Beyond the Supernatural" to be with y'all.

Jim Ryan 2:02 AM 01/27/12
(He IS here this time, right?)

Von Dan 2:02 AM 01/27/12
back hd to reset my net card

Erica B 2:02 AM 01/27/12
my nega psychic doesn't believe you Jason.

Erica B 2:02 AM 01/27/12
heehee

Jim Ryan 2:02 AM 01/27/12
(Actually, come to think of it, where is here....?)

Mark Francis 2:03 AM 01/27/12
Hello All. :-)

jmstar 2:03 AM 01/27/12
Right on Erica, our psychic just had twins so he's been out for a while

Joel 2:03 AM 01/27/12
Howdy.

gford816 2:03 AM 01/27/12
hey mark

Jim Ryan 2:03 AM 01/27/12
Allo!

Von Dan 2:03 AM 01/27/12
I traded a spanking paddle for a net book and i get a signal from some ware
so now i canmake every chat on time and still make in home for big bang
theory

Von Dan 2:03 AM 01/27/12
hey duck did you read it

Jodi 2:04 AM 01/27/12
Hi everyone!

Sitting Duck 2:04 AM 01/27/12
Finally gotten around to reading the first two chapters.

Clint Black 2:04 AM 01/27/12
Okay, so let's jump in. Everyone, this is Jason Morningstar, creator of
Fiasco. Jason, this is everyone.

Joel 2:04 AM 01/27/12
Hi, Jason.

Sitting Duck 2:04 AM 01/27/12
The writing style reminds me of Ysabeau Wilce (a good thing).

gford816 2:05 AM 01/27/12
great to meet you jason and may i say you have a great game

jmstar 2:05 AM 01/27/12
Thanks very much

Mark Francis 2:05 AM 01/27/12
Hello.

Von Dan 2:05 AM 01/27/12
and it is rough only 50/200 pages

Sitting Duck 2:05 AM 01/27/12
I've been wondering if that's his real surname.

jmstar 2:05 AM 01/27/12
it is indeed, changed at Ellis island back in the day

jmstar 2:05 AM 01/27/12
From something Polish and unpronounceable

Von Dan 2:05 AM 01/27/12
I had some Ysabeau Wilce for lunch

Jim Ryan 2:06 AM 01/27/12
It IS a game that is full of awesome. If anyone here hasn't tried it, you must!!

Jodi 2:06 AM 01/27/12
Jason, I gotta know... did you come up with the RPG and then decide the Coen brothers were a good fit, or did you love the Coen brothers' movies needed an RPG? :)

Sitting Duck 2:06 AM 01/27/12
I'll email you further thoughts tomorrow.

jmstar 2:06 AM 01/27/12
Jodi, a little of both actually

Von Dan 2:06 AM 01/27/12
ok

jmstar 2:07 AM 01/27/12
I had some hard parameters for the design and emulating the structure of a film made sense

jmstar 2:07 AM 01/27/12
I love the Coen brothers, I love neo noir, it just fell into place

jmstar 2:07 AM 01/27/12
But it all stemmed from the original brief, which was "2 hours, no prep, no GM"

Mark Francis 2:08 AM 01/27/12

I think that Fiasco delivers on that in spades.

jmstar 2:08 AM 01/27/12

Two hours is iffy unless you are playing a three player game, but I agree

jmstar 2:08 AM 01/27/12

I'm really proud of it and happy that it has been so well received

gford816 2:08 AM 01/27/12

jason that is what i think makes the game alot of fun. everyone is in it to make the session fun

jmstar 2:08 AM 01/27/12

/me nods

jmstar 2:09 AM 01/27/12

heh

Clint Black 2:09 AM 01/27/12

Yeah, it does seem that the game sort of creates that "player contract" naturally.

gford816 2:10 AM 01/27/12

i really want to use some of the other game sets that are out there too.

jmstar 2:10 AM 01/27/12

It's sorta baked in - you build up this crazy situation as a group, so everybody is already invested

Mark Francis 2:10 AM 01/27/12

Group investment is key.

tomg 2:11 AM 01/27/12

hey guys

Robert Hudson 2:11 AM 01/27/12

If they don't have buy-in from the start they're not trying; the setting - heck the *title* - tell you up front what's coming.

jmstar 2:11 AM 01/27/12

I can *imagine* that not working but honestly I've never seen it. The game sort of routes around a non-invested player.

gford816 2:11 AM 01/27/12

the last game mark and i played we had some great people that wanted to create a good game and really did not think about what was best for their character

Jodi 2:11 AM 01/27/12

And it's MEANT to go horribly awry, instead of the "Let's keep everyone's characters safe!" It's the other way around.

Clint Black 2:11 AM 01/27/12

I also love the fact that it is so versatile. The Dresden playset pretty much nailed that for me.

gford816 2:11 AM 01/27/12
best being not looking to win the game which is more fun any way

jmstar 2:12 AM 01/27/12
It's interesting to play with people who don't get that concept, that play protectively

Mark Francis 2:12 AM 01/27/12
I've been fortunate in that the game I first played in, everyone was really keen on making it into a disaster. ;-)

Joel 2:12 AM 01/27/12
It sounds like a game I could enjoy (perhaps too much), but have just never managed to play one.

jmstar 2:12 AM 01/27/12
C'mon Joel, get with the program!

Jim Ryan 2:12 AM 01/27/12
I think the first time I played, I was semi-protective, but these days I play to lose. :)

Clint Black 2:12 AM 01/27/12
Next MACE, Joel and I have got to get in a game together.

tomg 2:12 AM 01/27/12
yeah. some people don't get that you're not in it to win really

Joel 2:12 AM 01/27/12
Oh, I'm game. It's just not worked out so well.

jmstar 2:12 AM 01/27/12
I played a game at MACE with a dude who really wanted his guy to succeed, and of course the game does not push very hard to prevent that

jmstar 2:13 AM 01/27/12
Hi TOM

Jodi 2:13 AM 01/27/12
How about MACE:West?

Erica B 2:13 AM 01/27/12
is Fiasco like a card game or board game? How's the system work?

gford816 2:13 AM 01/27/12
if you want a game with stats and alot of dice being rolled this probably would not ge the game for you

jmstar 2:13 AM 01/27/12
Erica, it's a roleplaying game, but it is very, very loose

tomg 2:13 AM 01/27/12
Hey Jason. Glad to 'talk' to you.

jmstar 2:13 AM 01/27/12
(Tom and I are buddies)

Jim Ryan 2:13 AM 01/27/12
It's the Bacon Sundae of RPGs

tomg 2:13 AM 01/27/12
loose is the best way to play

Sitting Duck 2:13 AM 01/27/12
Erica are you planning to come to RavenCon again?

Jodi 2:14 AM 01/27/12
<http://beautifulbrainsonline.com/products-page/Publishing%20Company/bully-pulpit-games/>

Eloy Lasanta 2:14 AM 01/27/12
Hey all!

Jim Ryan 2:14 AM 01/27/12
(Wait, that may not have sounded right...)

Joel 2:14 AM 01/27/12
If I recall correctly, MACE West is one of my otherwise-scheduled Saturdays.

Jodi 2:14 AM 01/27/12
Fiasco and the Companion!

jmstar 2:14 AM 01/27/12
hi Eloy!

Clint Black 2:14 AM 01/27/12
IT uses two different colors of d6s.

Erica B 2:14 AM 01/27/12
not if I go to MaceWEST, SittingDuck. They're too close together.

gford816 2:14 AM 01/27/12
i'll be picking up the companion soon

Sitting Duck 2:14 AM 01/27/12
Oh well.

Jim Ryan 2:14 AM 01/27/12
Hi Eloy!

Mark Francis 2:14 AM 01/27/12
Both books are excellent.

jmstar 2:14 AM 01/27/12
Thanks mark

tomg 2:14 AM 01/27/12
the companion is fantastic.

jmstar 2:14 AM 01/27/12
(and Tom, but you're sort of a ringer)

Jodi 2:14 AM 01/27/12
Jim, I'll have it at miniMACE. Jason, are you coming?

Erica B 2:15 AM 01/27/12

I'm still making up my mind, so I'm not discounting anything yet, Duck. :)

jmstar 2:15 AM 01/27/12

Jodi, no i am not

Jodi 2:15 AM 01/27/12

Ah well.

Erudite Dragon 2:15 AM 01/27/12

Heh, I remember when I used to play overly protective with my characters.... then I realized that nothing fun really comes to those who only make 'good' choices... so to speak.

Clint Black 2:15 AM 01/27/12

Erica, I expect someone will run it at MACE West if you want to try it.

Joel 2:15 AM 01/27/12

I believe the phrase is "get with the program," jmstar...

jmstar 2:15 AM 01/27/12

Ha ha

Mark Francis 2:15 AM 01/27/12

LOL

gford816 2:15 AM 01/27/12

i would be willing to run it at mace: west

Clint Black 2:16 AM 01/27/12

There you go!

jmstar 2:16 AM 01/27/12

Hey, if somebody is running it please get in touch and I'll hook you up with some exclusive unreleased stuff

Jim Ryan 2:16 AM 01/27/12

Yeah, I have a crapload of the free playsets printed out and will have them with me this weekend (I usually bring them to most RPG sessions, just in case).

gford816 2:16 AM 01/27/12

well really i would be offering it because i would be playing too

gford816 2:16 AM 01/27/12

but it will be there at mace: west

jmstar 2:16 AM 01/27/12

jmstar @ gmail.com dude

jmstar 2:17 AM 01/27/12

I wrote a whole playset based on Georgia pecan thieves

jmstar 2:17 AM 01/27/12

It is pretty boss

Jim Ryan 2:17 AM 01/27/12
lol

tomg 2:17 AM 01/27/12
that sounds fun

gford816 2:17 AM 01/27/12
i will get in contact with you jason closer to time

jmstar 2:17 AM 01/27/12
Sounds good

Eloy Lasanta 2:17 AM 01/27/12
Speaking of Georgia, any plans to be at DragonCon this year, Jason?

tomg 2:17 AM 01/27/12
is it a pee-can fiasco or a pee-con fiasco?

jmstar 2:17 AM 01/27/12
I want to come for sure!

jmstar 2:17 AM 01/27/12
pee-can

tomg 2:18 AM 01/27/12
good as it should be

jmstar 2:18 AM 01/27/12
There's a little uncertainty with my wife's scheduling but i think I can make it

Joel 2:18 AM 01/27/12
I like the Georgia pecan thieves. Then again, I've previously used Georgia pecan golems, so I may have a predilection.

Jim Ryan 2:18 AM 01/27/12
I'm trying to hook my local gaming circle on Fiasco - mostly because (as I find myself saying frequently these days) it's one of my missions in life to play as much Fiasco as legally possible.

jmstar 2:18 AM 01/27/12
Pecan golems sound amazing

Erudite Dragon 2:18 AM 01/27/12
Joel.... How'd that work out for ya?

Mark Francis 2:18 AM 01/27/12
You may at that Joel. :-)

tomg 2:18 AM 01/27/12
Joel, that sounds great.

Eloy Lasanta 2:18 AM 01/27/12
it'd be cool to see you and hang some again. :-)

jmstar 2:18 AM 01/27/12
Jim, you are a gentleman and a scholar

Erica B 2:18 AM 01/27/12

a predilection? Sounds nasty... better have a doctor look at that...

Joel 2:18 AM 01/27/12

They hit it with a fireball. It kept attacking, but with a more well-rounded flavor.

Erica B 2:19 AM 01/27/12

lol

Sitting Duck 2:19 AM 01/27/12

A scholar anyway. :P

jmstar 2:19 AM 01/27/12

I was sad i didn't get to game more at Dragon Con

Clint Black 2:19 AM 01/27/12

LOL

jmstar 2:19 AM 01/27/12

I think i'll set stuff up in advance this year

Erudite Dragon 2:19 AM 01/27/12

Wow... I so wish I could play in one of your games, Joel...

Joel 2:19 AM 01/27/12

I like to keep both my predilections and depredations private...

Clint Black 2:19 AM 01/27/12

At the flavor of the golem, not Jason's lack of gaming

Sitting Duck 2:19 AM 01/27/12

There's gaming at DragonCon?

Jim Ryan 2:19 AM 01/27/12

Thanks, Jason - though I may just be an addict. ;D

Erudite Dragon 2:20 AM 01/27/12

That said, one of my GMs had a caramel golem once.... It was a rather sticky situation.

Eloy Lasanta 2:20 AM 01/27/12

I ran just as many games as I played in at DragonCon. I had a blast helping people playtest their games too, which was hella-fun

Eloy Lasanta 2:20 AM 01/27/12

over planning could be a boon or a curse where DragonCon is concerned. lol

jmstar 2:20 AM 01/27/12

i was a little shell-shocked, my first time at Dragon Con

Clint Black 2:20 AM 01/27/12

Okay, I'm going to expose my ignorance, so...

Eloy Lasanta 2:20 AM 01/27/12

yep, Duck, days and days of it

Erica B 2:20 AM 01/27/12

I've seen a d20 adventure with a calzone golem. If you hit it with a piercing or slashing weapon, it spurts boiling hot sauce on you.

Clint Black 2:21 AM 01/27/12

Is there a D&D playset for fiasco. You know, where you play the monsters doomed to be killed by adventurers.

jmstar 2:21 AM 01/27/12

And yet after defeating it, so delicious

Erica B 2:21 AM 01/27/12

lol reverse dungeon

Jim Ryan 2:21 AM 01/27/12

Yeah, with Dragon*Con I've found that I go crazy if I try to plan. These days I just dive into the sea of people and swim toward the most interesting-sounding masses of life. ;)

jmstar 2:21 AM 01/27/12

Clint, there's Logan Bonner's Dragon Slayers, which is close

Nick Poulimas 2:21 AM 01/27/12

Hello everyone!

Clint Black 2:21 AM 01/27/12

It's how the Dresden set works, and I think it's an awesome idea.

Mark Francis 2:21 AM 01/27/12

Hi Nick.

gford816 2:21 AM 01/27/12

hey nick

Von Dan 2:21 AM 01/27/12

ware was that golum Erica me and monte cook are working on cooks & caverens

jmstar 2:21 AM 01/27/12

And also Hocus Focus, which is a Dresden Files themed playset where you play bad guys

Clint Black 2:21 AM 01/27/12

Thanks! I'll check that out.

Erica B 2:21 AM 01/27/12

what about a fiasco for mice trying to put a bell on a cat? lol

Joel 2:22 AM 01/27/12

Hola, Senor Poulimas!

jmstar 2:22 AM 01/27/12

But I'd love to see a monsters in the dungeon playset

Erudite Dragon 2:22 AM 01/27/12

Ahh foodstuff golems... allowing GMs to combine their love of snacks with their love of deadly monsters.

jmstar 2:22 AM 01/27/12
Primed for so much failure and stupidity

Jim Ryan 2:22 AM 01/27/12
Howdeh, Nick!

Sitting Duck 2:22 AM 01/27/12
That was the plot of an Aesop & Son.

Jodi 2:22 AM 01/27/12
You're an orc in a 10 x 10 room...

Clint Black 2:22 AM 01/27/12
We are totally on the same wavelength there, Jason.

tomg 2:22 AM 01/27/12
monsters in a dungeon playset....hmmmm

Mark Francis 2:22 AM 01/27/12
I love Orc & Pie.

Sitting Duck 2:22 AM 01/27/12
I liked it because the cat won instead of the mice.

jmstar 2:22 AM 01/27/12
Location: First Level: 10x10 room

Erica B 2:22 AM 01/27/12
VonDan it's in a free downloadable adventure called Something's Cooking. It should still be available on the WotC downloads page.

Von Dan 2:22 AM 01/27/12
yes Cook's and Caverens inspired by orc and pie

jmstar 2:22 AM 01/27/12
Object: Delicious: Pie

Von Dan 2:23 AM 01/27/12
Otay

Clint Black 2:23 AM 01/27/12
LOL

Jim Ryan 2:23 AM 01/27/12
There's always a 10x10 room for jello.

jmstar 2:23 AM 01/27/12
Need: To Protect: The pie in my 10x10 room

Erudite Dragon 2:23 AM 01/27/12
Hmm... didn't one of the Wizardry CRPGs have a similar tone, where you played as the bad guy and all the 'encounters' were adventurer groups?

Von Dan 2:23 AM 01/27/12
By 20th level the ogre magi has a pie full of die crows

Jodi 2:23 AM 01/27/12
We're all getting in the credits for this playset, right?

Clint Black 2:23 AM 01/27/12
It just writes itself!

jmstar 2:23 AM 01/27/12
I thought you guys were going to write it

Jim Ryan 2:23 AM 01/27/12
Hmm... life in a dungeon ecology.

jmstar 2:23 AM 01/27/12
I'll make it a Playset of the Month for sure

Joel 2:24 AM 01/27/12
I think there should be a "half-baked" joke about now, but I'm overwhelmed by the target selection...

Clint Black 2:24 AM 01/27/12
Relationship: Minion

Jim Ryan 2:24 AM 01/27/12
That WOULD be interesting - I mean, what do all those monsters DO when there are no adventurers around?

jmstar 2:24 AM 01/27/12
Relationships might be slightly tricky but not too bad

Erudite Dragon 2:24 AM 01/27/12
Play UNO?

jmstar 2:24 AM 01/27/12
Remember Wormy from Dragon back int he day?

Erica B 2:24 AM 01/27/12
reset traps?

tomg 2:24 AM 01/27/12
they play
Agricola

jmstar 2:24 AM 01/27/12
hang out, play pool

Von Dan 2:24 AM 01/27/12
I found uno for 50 cents

Sitting Duck 2:25 AM 01/27/12
They hang around in the Wandering Monster Lounge.

gford816 2:25 AM 01/27/12
hey nick been meaning to call you but i will give you a buzz by the end of this weekend. hope you are doing well

Clint Black 2:25 AM 01/27/12
Okay, so I heard something only you can confirm, Jason.

Joel 2:25 AM 01/27/12
Or deny?

Jim Ryan 2:25 AM 01/27/12
You could have a Tilt like the one in the Dresden playset and have it be
adventurers entering the dungeon!

Joel 2:25 AM 01/27/12
I've found denial is always an option.

Clint Black 2:25 AM 01/27/12
Did Grey Ranks originate at a MACE Iron Game Chef?

jmstar 2:25 AM 01/27/12
Yes it did

Jodi 2:26 AM 01/27/12
cool

jmstar 2:26 AM 01/27/12
Luke Crane was a judge, and his comment was "you've made a game where you
play boy scouts, but homosexual relationships are mechanically impossible."

jmstar 2:26 AM 01/27/12
(I fixed that)

Clint Black 2:26 AM 01/27/12
That's Luke

Tommy Brownell 2:27 AM 01/27/12
Evening, folks.

jmstar 2:27 AM 01/27/12
Hi Tommy

Erica B 2:27 AM 01/27/12
hey there

Mark Francis 2:27 AM 01/27/12
Hi Tommy.

Jim Ryan 2:27 AM 01/27/12
Howdeh

tomg 2:27 AM 01/27/12
hey

Clint Black 2:27 AM 01/27/12
I just think it's neat that it started at our home convention of MACE and is
being translated by my Polish friend.

Eloy Lasanta 2:28 AM 01/27/12
hey Tommy

gford816 2:28 AM 01/27/12
hey tommy

jmstar 2:28 AM 01/27/12
Piotr is coming to chat, is he not?

Erudite Dragon 2:28 AM 01/27/12
Hey Tommy!

Joel 2:28 AM 01/27/12
You sound so continentist, Clint. "I have friends that are Polish. Honest."

Clint Black 2:28 AM 01/27/12
He will be on March 1st

jmstar 2:28 AM 01/27/12
Ah OK

jmstar 2:28 AM 01/27/12
He's a cool guy

Tommy Brownell 2:28 AM 01/27/12
Erudite Dragon seemed way more excited about me than anyone else did. Made my night right there.

Joel 2:29 AM 01/27/12
I think it's around 3:30 Polish time.

Jodi 2:29 AM 01/27/12
It's 3 am his time, and with a sick family, it's just not in his ability to jump in the chat tonight.

jmstar 2:29 AM 01/27/12
Apparently they have been having arguments about factual errors i made in Grey Ranks

Erudite Dragon 2:29 AM 01/27/12
LOL. Just bein' polite.

jmstar 2:29 AM 01/27/12
I was like "I didn't mean to make errors, it wasn't my plan, let's fix them."

Tommy Brownell 2:29 AM 01/27/12
Oh. Well. Night less made.

Joel 2:29 AM 01/27/12
Tommy. Oh. When'd you get here?

Joel 2:29 AM 01/27/12
[Someone gotta' do the draggin' down...]

Clint Black 2:29 AM 01/27/12
Anything I said to Tommy now would seem faked. Sad Clint is sad. :(

Nick Poulimas 2:30 AM 01/27/12
sounds good Gordon!

Erudite Dragon 2:30 AM 01/27/12
Oh, don't be glum, Tommy. If it helps, I'm reading your blog at the moment.

Clint Black 2:30 AM 01/27/12
Piotr did the same thing when we worked on Weird War 2!

jmstar 2:30 AM 01/27/12
Translation is a pretty good way to get a brutally hard copy edit, that's for sure.

jmstar 2:31 AM 01/27/12
I had to explain to italians what a split-level ranch was. And Amway.

Clint Black 2:31 AM 01/27/12
The Polish Resistance made the French Resistance look like they were just giving the Germans harsh looks as it was explained to me.

Jim Ryan 2:31 AM 01/27/12
The Medici playset came out nicely, BTW!

Jim Ryan 2:31 AM 01/27/12
Very pleased!

jmstar 2:31 AM 01/27/12
Medici is great, I hope it gets played. People get nervous about history but that nonsense is timeless.

Jim Ryan 2:31 AM 01/27/12
lol Long live Garfieldo!

Eloy Lasanta 2:32 AM 01/27/12
gotta head out. I'll check you all later! peace!

jmstar 2:32 AM 01/27/12
Clint: Yeah, they were pretty hardcore.

jmstar 2:32 AM 01/27/12
Bye Eloy

Joel 2:32 AM 01/27/12
Clint, there are actual well-documented instances (gotta' love them Nazi record habits) of officers requesting the Russian front over service in Poland.

tomg 2:32 AM 01/27/12
See you later Eloy

Robert Hudson 2:32 AM 01/27/12
@Clint: They were making up for the Winged Hussars.

Clint Black 2:32 AM 01/27/12
Bye Eloy! See you in three weeks!

jmstar 2:32 AM 01/27/12
At one point they smuggled a dude into and out of Auschwitz to find out what was going on

Erica B 2:32 AM 01/27/12
wow

jmstar 2:32 AM 01/27/12
Nobody believed him

Von Dan 2:32 AM 01/27/12
I had a one armed commado come in my store last month

Jodi 2:33 AM 01/27/12
yeah, wow!

Von Dan 2:33 AM 01/27/12
he was in one of the camps and his wife was in the womans camp

Erudite Dragon 2:33 AM 01/27/12
Wow.

Jodi 2:33 AM 01/27/12
Wow again, Von Dan

Tommy Brownell 2:33 AM 01/27/12
Joel: Won't work, my blog is being read. That's a perma-smile.

Von Dan 2:34 AM 01/27/12
then i read his books and 6 others

jmstar 2:34 AM 01/27/12
(Witold Pilecki is the guy I mentioned)

Von Dan 2:34 AM 01/27/12
including one on julia child

Joel 2:34 AM 01/27/12
Tommy: You've got a blog?

Jodi 2:34 AM 01/27/12
What playsets are in the works, Jason? What's next for Fiasco?

Joel 2:34 AM 01/27/12
[Anything I ought not be doing is worth doing it right...]

tomg 2:34 AM 01/27/12
Now the good stuff

Erudite Dragon 2:34 AM 01/27/12
Actually Tommy, you've given me yet another reason to nab IZ: San Fran, so...

Nick Poulimas 2:34 AM 01/27/12
Tommy: Great Blog

jmstar 2:34 AM 01/27/12
February will be Chris Bennett's playset Suckers in paradise: Havana 1953

jmstar 2:35 AM 01/27/12
Mobsters, rebels, thugs, players

tomg 2:35 AM 01/27/12
Chris is the Fiasco king

Tommy Brownell 2:35 AM 01/27/12

Joel: It IS the most unread blog ever. Nick: Thanks...=) Dragon: Awesome!

jmstar 2:35 AM 01/27/12

We're working on a three-playset collection written in-house we'll be selling, called American Disasters

tomg 2:36 AM 01/27/12

Oooo

jmstar 2:36 AM 01/27/12

It includes rules for chaining multiple sessions together

Tommy Brownell 2:36 AM 01/27/12

Interesting.

jmstar 2:36 AM 01/27/12

Pretty hot stuff, we're stoked

tomg 2:36 AM 01/27/12

Awesome. About time too.

Nick Poulimas 2:36 AM 01/27/12

Ohhh, that sounds cool!

Jodi 2:36 AM 01/27/12

Fiasco campaign?!

Erudite Dragon 2:36 AM 01/27/12

Sounds nifty!

jmstar 2:36 AM 01/27/12

The three sets are thematically linked, yeah

tomg 2:36 AM 01/27/12

I'm so playing that

Nick Poulimas 2:36 AM 01/27/12

Jodi took the words out of my mouth!

jmstar 2:36 AM 01/27/12

You choose elements to carry forward from session to session,

Tommy Brownell 2:36 AM 01/27/12

Jason: Chaining multiple sessions together...same characters?

Tommy Brownell 2:36 AM 01/27/12

Ahhh.

jmstar 2:37 AM 01/27/12

So the drugged-out hippie in one game becomes themall santa in the next game

Tommy Brownell 2:37 AM 01/27/12

So not necessarily people.

jmstar 2:37 AM 01/27/12

Everybody chooses one character or situation element, and some of those get included in the next session

Von Dan 2:37 AM 01/27/12
like kings regulators and desperation

jmstar 2:37 AM 01/27/12
In one game it was some guy's greasy mojo bag that showed up in the next game

Jodi 2:37 AM 01/27/12

Don't forget you always get 10% off your entire order using the code ILoveBrains!

Nick Poulimas 2:40 AM 01/27/12
jmstar- will you be at the MACE or Con Carolinas conventions?

Von Dan 2:40 AM 01/27/12
should i8 post my brain in a jar now

jmstar 2:40 AM 01/27/12
Thanks Tom, like that but with some rules to back it up

jmstar 2:41 AM 01/27/12
Nick, probably not

tomg 2:41 AM 01/27/12
that's cool

Von Dan 2:41 AM 01/27/12

raise your hand if you ever had brain in your hair

jmstar 2:41 AM 01/27/12

With MACE moving it becomes less simple to attend and I have never been to Con Carolinas

Joel 2:41 AM 01/27/12

Hand up.

tomg 2:41 AM 01/27/12

Jason, we need some kids' playsets. Anybody working on some?

jmstar 2:41 AM 01/27/12

I've had brain on my hands does that count?

Joel 2:41 AM 01/27/12

I've also gotten my hair in brains before.

Nick Poulimas 2:41 AM 01/27/12

thats too bad. they are great con's

jmstar 2:42 AM 01/27/12

Tom, no, we'd need new tilt and aftermath too. I'm all for it

Von Dan 2:42 AM 01/27/12

human brains ?

jmstar 2:42 AM 01/27/12

No, deer brains

Erudite Dragon 2:42 AM 01/27/12

Joel: How'

Sitting Duck 2:42 AM 01/27/12

Handling brains at the Jaycees Haunted House doesn't count.

tomg 2:42 AM 01/27/12

Maybe I'll work on that.

Jim Ryan 2:42 AM 01/27/12

Each of my hairs has its own separate brain. Or so it would seem.

Erudite Dragon 2:42 AM 01/27/12

Gah. How'd that happen Joel?

Jodi 2:42 AM 01/27/12

Last call... Clint is shuffling!

tomg 2:42 AM 01/27/12

Deer brains. ditto.

gford816 2:42 AM 01/27/12

mace and concarolinas are some of the best cons i have gone to

Erica B 2:42 AM 01/27/12

this talk about brains leads to the idea of a zombie fiasco. lol

Sitting Duck 2:42 AM 01/27/12
MarsCon has the best con suite.

Jodi 2:42 AM 01/27/12
I've handled human brains. Gross anatomy lab was fun.

Clint Black 2:42 AM 01/27/12
Every day, I'm shuffl... nah, I can't do it.

Sitting Duck 2:43 AM 01/27/12
On Friday night they have a baked potato bar.

Joel 2:43 AM 01/27/12
Well, I've had human brains in my hair before when visiting an ER about something totally different. I got my hair in brains when I was cooking breakfast at my Grampa Kinstle's, but those were hogs' brains.

Nick Poulimas 2:43 AM 01/27/12
did your brains leak out again Joel?

Erudite Dragon 2:43 AM 01/27/12
I've been to all of one con... GenCon around 2 years ago. We need more cons in and around Wisconsin.

Von Dan 2:43 AM 01/27/12
yeah brains

Jodi 2:43 AM 01/27/12
And the winner is Von Dan, of course! :)

jmstar 2:43 AM 01/27/12
i will be at Gen Con this year

tomg 2:43 AM 01/27/12
Hey Joel

Erica B 2:43 AM 01/27/12
it's even got CON in it's name, Dragon!

jmstar 2:44 AM 01/27/12
And also Solumkhota in Finland in April

gford816 2:44 AM 01/27/12
congrats van

gford816 2:44 AM 01/27/12
meant von

Von Dan 2:44 AM 01/27/12
I had some one drop a posted head on the table and i got a splash of what ever was floting in the tray

Greg Kerner 2:44 AM 01/27/12
congrats von

tomg 2:44 AM 01/27/12
congrats von

Joel 2:44 AM 01/27/12
Personal brain leakage was on the menu if I didn't get my sinus issues fixed at one point. But I managed to avoid that and now have a partially plastic nose bridge. On the up side, I'll never suffer nasal rust.

Erudite Dragon 2:45 AM 01/27/12
It does indeed, Erica. Best 3 days of my life.... though I'm surprised I still have feet. So... much... walking...

Erudite Dragon 2:45 AM 01/27/12
And congrats, Von Dan!

Mark Francis 2:45 AM 01/27/12
Congrats

Clint Black 2:45 AM 01/27/12
Jason, will be at a booth or event at GenCon (like Games on Demand)?

Nick Poulimas 2:45 AM 01/27/12
Now I really need to go to Gen con!

jmstar 2:45 AM 01/27/12
IPR will rep our games and we'll be running Games on Demand. It has space in the convention center this year which is awesome, twice the size of last year, 12 tables

gford816 2:46 AM 01/27/12
i would love to make it to gencon

jmstar 2:46 AM 01/27/12
So i will be running games nonstop, basically

Clint Black 2:46 AM 01/27/12
Sweet!

jmstar 2:46 AM 01/27/12
Looking forward to it

tomg 2:46 AM 01/27/12
GenCon would be great

Nick Poulimas 2:46 AM 01/27/12
Gordon, we should car pool.

gford816 2:47 AM 01/27/12
@nick if i could get the money up i would be there with you driving up there

Nick Poulimas 2:47 AM 01/27/12
I've never gone, but I hear it's awesome.

Jim Ryan 2:47 AM 01/27/12
One day, Gen Con. One day! (shakes fist at the undiscovered wave form of the future)

jmstar 2:47 AM 01/27/12
Gen Con is something to behold, that's for sure

Joel 2:47 AM 01/27/12
I suspect I'm going to be otherwise engaged for GenCon, which is sad. Very sad.

Erica B 2:47 AM 01/27/12
I've been to one GenCon. It was an experience.

Clint Black 2:47 AM 01/27/12
GenCon is kind of like the Mecca for gamers; I think everyone should go at least once.

Von Dan 2:47 AM 01/27/12
never any cons in my area

Marc Gacy 2:48 AM 01/27/12
I was at one of the Gen Con Easts waaaay back when

Joel 2:48 AM 01/27/12
Honestly, though, unless you're a dealer room junky, I think once is enough, especially if you're spoiled with good local gaming outlets like you Carolinians are.

Von Dan 2:48 AM 01/27/12
but some day when i'm rich after the mythical movie job

Mark Francis 2:48 AM 01/27/12
@ Joel - Spoiled eh?

Jim Ryan 2:48 AM 01/27/12
Yeah, we have brandy and cigars, too.

Jim Ryan 2:48 AM 01/27/12
;)

Joel 2:48 AM 01/27/12
As long as you're rich enough to have access to a bath when you go, Von. Don't be part of the problem. ;-)

tomg 2:51 AM 01/27/12

Maybe we can get the MACE people to do that jmstar

Jodi 2:51 AM 01/27/12

Or a really long walk, Marc!

Joel 2:51 AM 01/27/12

Cole slaw not saur kraut means it's not a Reuben any more. It's just not.

Erica B 2:51 AM 01/27/12

980,337 feet from Jodi. lol

jmstar 2:51 AM 01/27/12

Jodi 2:54 AM 01/27/12

Jason, thank you for taking time out of your game night to be with us this week! Appreciate hearing about all the cool stuff coming up for Fiasco!

Robert Hudson 2:54 AM 01/27/12

Good night all. See you this weekend C&J. Thanks as always for hosting the chat. :-)

Erudite Dragon 2:56 AM 01/27/12
Awesome, Tommy!

Jodi 2:56 AM 01/27/12
Great to hear that Tommy! Maybe it's not so unread.

Jim Ryan 2:56 AM 01/27/12
Yeah, see those of you who are minMACE-ing at miniMACE! See the rest of you all of a sudden. ;)

Tommy Brownell 2:56 AM 01/27/12

Nick Poulimas 2:56 AM 01/27/12
Good night everyone. Thank you Clint & Jodi.

Joel 2:56 AM 01/27/12
Sounds like time for a trujmped-up truth-in-advertising charge for Tommy...

Tommy Brownell 2:56 AM 01/27/12
...Joel sure has it in for me.

Marc Gacy 2:57 AM 01/27/12
I read Tommy's Blog!

Erudite Dragon 2:57 AM 01/27/12

But yeah... This year, I'm hoping to actually get a game of my own running... I game with a group of 5 or 6... and practically all of them are running their own games... It's... hectic. Fun, though.

Tommy Brownell 2:57 AM 01/27/12
You've won prizes in both giveaways, haven't you, Marc?

Joel 2:58 AM 01/27/12
@Tommy: I'm sure it'll pass. These things often do.

Erica B 2:58 AM 01/27/12
See ya'll later! :)

Marc Gacy 2:58 AM 01/27/12
Just one, I thought, but I could be having a senior-in-training moment

Clint Black 2:58 AM 01/27/12
Thanks to everyone for showing up, and be sure to check out the future chats. We have some awesome ones coming!

Erudite Dragon 2:58 AM 01/27/12
See ya, Erica!

Tommy Brownell 2:58 AM 01/27/12
Did you not win Leverage last year?

Jodi 2:58 AM 01/27/12
Well, I've got to crash into bed... long day editing and more tomorrow. Looking forward to miniMACE! See the rest of you soon, I hope!

Jim Ryan 2:58 AM 01/27/12
Night, folks!

Marc Gacy 2:59 AM 01/27/12
Yup, you are correct!

Robert Hudson 2:59 AM 01/27/12
Same time next week Clint - that SAN point will be mine yet!

Erudite Dragon 2:59 AM 01/27/12
Night Clint & Jodi!

Marc Gacy 2:59 AM 01/27/12
I so want to play that game!

Tommy Brownell 2:59 AM 01/27/12
And Savage Worlds Horror Companion this year.

Tommy Brownell 2:59 AM 01/27/12
That's not too shabby at all.

Von Dan 2:59 AM 01/27/12

Erudite Dragon 2:59 AM 01/27/12

Marc Gacy 3:00 AM 01/27/12

Tommy Brownell 3:00 AM 01/27/12
I get excited about giving stuff away...=)

Erudite Dragon 3:00 AM 01/27/12
Between IZ: San Fran, Horror Companion, SWD, and Either Runepunk or Sundered Skies... my poor pocketbook...

Von Dan 3:01 AM 01/27/12
I was gonna order SWD monday and take in a box of trade

Von Dan 3:01 AM 01/27/12
when is the Horror Companion out on paper

Robert Hudson 3:01 AM 01/27/12
Later folks, got to put diner together before the wife starts after the Sacred GM Thin Mint stash...

Tommy Brownell 3:01 AM 01/27/12
That, I don't know.

Erudite Dragon 3:02 AM 01/27/12
Sad thing is... I'll probably run one or two of the things I plan to purchase... I'm a pack rat.

Robert Hudson 3:02 AM 01/27/12
G'night!

Erudite Dragon 3:02 AM 01/27/12
Night!

Clint Black 3:02 AM 01/27/12
Thanks, Robert and bye! I'll cherish my last SAN while I have it.

Robert Hudson 3:02 AM 01/27/12
=)

Clint Black 3:03 AM 01/27/12
Joel would have the best idea on the hardcopy of the Horror Comp, but he's already gone.

Tommy Brownell 3:03 AM 01/27/12
I'm supposed to play Fiasco on Skype with Jason Morningstar next Wednesday. Me, him and Mike Lafferty.

Tommy Brownell 3:03 AM 01/27/12
A review will be coming shortly thereafter.

Clint Black 3:04 AM 01/27/12

Jealous, Tommy!

Erudite Dragon 3:05 AM 01/27/12

Hmm... I'm trying to remember... Tommy, did you review Runepunk? I know you reviewed most of Reality Blurs' other products, but...

Clint Black 3:05 AM 01/27/12

Been trying to play Fiasco with Jason for a while now. We planned for the next MACE, and then they moved locations and it doesn't look like Jason can come.

Clint Black 3:06 AM 01/27/12

Guys, I'm out. Feel free to hang out and continue to chat. We leave it up.

Tommy Brownell 3:06 AM 01/27/12

I have not, ED. I bought it a few months back, but haven't had a chance to dig into it yet. Sad part is, if I'm not immediately planning to review something, I never have time to read it.

Clint Black 3:06 AM 01/27/12

Thanks again!

Tommy Brownell 3:06 AM 01/27/12

'Night, Clint!

Erudite Dragon 3:06 AM 01/27/12

Sorry to hear that, Clint... and see ya!

Clint Black 3:06 AM 01/27/12

Runepunk = 3 year campaign ending at 300 XPs. Awesome.

Erudite Dragon 3:07 AM 01/27/12

Tommy: I'll probably buy it anyhow... but I do enjoy reading reviews first; and I do quite like your stile.

Tommy Brownell 3:07 AM 01/27/12

Thanks, that's good to hear, truly.

Tommy Brownell 3:07 AM 01/27/12

Clint: A three year campaign of anything SW sounds awesome to me.

Clint Black 3:09 AM 01/27/12

Empirical proof for me that SW does not reach an unplayable level. Runepunk is already higher powered than normal SW, and I was Incapacitated more in the last few games than the first two years.

Erudite Dragon 3:09 AM 01/27/12

Great to hear, Clint! I've got a player who loves anything with a Victorian feel, so Runepunk is tempting. That, and I like the idea of having a series of adventures confined to a single city... even if it's around the size of Texas XD

Marc Gacy 3:10 AM 01/27/12

Good night all. See you in a couple of weeks Clint.

Erudite Dragon 3:10 AM 01/27/12

Night!

Tommy Brownell 3:10 AM 01/27/12

I had someone pick apart my Savage Worlds Characters Are All The Same article, first saying that you can't specialize in the game, then saying that if you specialize, you cripple the characters.

Tommy Brownell 3:10 AM 01/27/12

I should probably go, too. I have comics to letter. The battle never ends.

Marc Gacy 3:11 AM 01/27/12

I liked that article.

Tommy Brownell 3:12 AM 01/27/12

Thanks...it was a lot of fun...=)

Tommy Brownell 3:12 AM 01/27/12

And MOST of the feedback was helpful.

Tommy Brownell 3:12 AM 01/27/12

And positive.

Erudite Dragon 3:13 AM 01/27/12

I liked it too! SW characters are definitely not 'samey'.

Marc Gacy 3:13 AM 01/27/12

Every one of my healers is really differnt

Erudite Dragon 3:15 AM 01/27/12

Actually, my favorite character that a player made was for a supers game that never made it off the ground... said player made an 18 year old speedster who actively believed she was in a comic book... because why else would there be superheroes? A very cool character that I wish I could have seen the player play.

Tommy Brownell 3:16 AM 01/27/12

Hehe, that's not bad.

Erudite Dragon 3:17 AM 01/27/12

That player often seems to play either 'heroes' or 'tricksters', or often a combination of the two.

Tommy Brownell 3:20 AM 01/27/12

<~~~~~my webcomic, pimping for pimping's sake.

Tommy Brownell 3:20 AM 01/27/12

Anyway, I DO need to run. Next page goes up in the morning and it's not done yet...and that's on me...=P

Tommy Brownell 3:20 AM 01/27/12

Later, guys!

Erudite Dragon 3:20 AM 01/27/12

Heh. Night Tommy!

Erudite Dragon 3:21 AM 01/27/12

And that's a wrap for me too, I think. Night all!

Marc Gacy 3:22 AM 01/27/12

Cool! Even though it's not really active now, did you ever see Jazz Age Chronicles? <http://www.graphicsmash.com/comics/jazz.php> The first story on the site was written by me.

Marc Gacy 3:23 AM 01/27/12

Oops, I guess everyone's gone now (turns out lights)
