

Jodi 1:34 AM 11/25/11
Good evening Gamers! Thanks for making time for us!

Tyler Denning 1:35 AM 11/25/11
It's nice that I don't have class tonight. I can finally show up to one of these! :D

Jodi 1:36 AM 11/25/11
I thought I saw you signed in here!

Jodi 1:36 AM 11/25/11
Didja have a good Thanksgiving?

Tyler Denning 1:36 AM 11/25/11
I worked most of the day, but finally got some time with the family after work. So, for the most part, yeah! How about you and yours?

Jodi 1:37 AM 11/25/11
Oh, 'bout the same, actually.

Jodi 1:37 AM 11/25/11
:)

Jodi 1:37 AM 11/25/11
I worked on checking in inventory this am and making T write thank you notes from her birthday party

Jodi 1:38 AM 11/25/11
Clint went over to his dad's early to help cook. Thank you Gog for giving me a husband AND father-in-law who like to cook!

Jodi 1:38 AM 11/25/11
*God

Tyler Denning 1:38 AM 11/25/11
Oh, that's awesome! I got leftovers, but I'm fine with that.

Jodi 1:38 AM 11/25/11
not Gog, that's just embarrassing

Tyler Denning 1:39 AM 11/25/11
Dinner's always nice.

Jodi 1:40 AM 11/25/11
*embarrassing. Wow this is going to be long night for the editor!

Tyler Denning 1:40 AM 11/25/11
Honestly, I didn't notice it. :D

Clint Black 1:40 AM 11/25/11
Hi Church and Kurt!

Kurt Wiegel 1:40 AM 11/25/11

Hello. Happy thanksgiving all

Tyler Denning 1:41 AM 11/25/11
Hey Clint! Heard you did some good cooking!

Tyler Denning 1:41 AM 11/25/11
And a happy thanksgiving to you as well!

Clint Black 1:41 AM 11/25/11
Brushcetta appetizer, roasted brussel sprouts with bacon (lots of bacon),
and other stuff

Jodi 1:41 AM 11/25/11
Hi Kurt! Guess you had fun here last time, you came back!

Tyler Denning 1:42 AM 11/25/11
Oh man, that sounds really good.

Jodi 1:42 AM 11/25/11
I really wish now we had brought home some leftovers. My PB toast is not
cutting it right now.

Kurt Wiegel 1:43 AM 11/25/11
Yeah- it was a lot of fun and I just saw the annoucement on FB so I
stopped by. Not sure how long I can stick around, depends on my post-food
coma kids.

Clint Black 1:43 AM 11/25/11
Well, it's always nice having you around when you are.

Kurt Wiegel 1:43 AM 11/25/11
Thanks. And I have a different keyboard to blame on my crappy typing.

Tyler Denning 1:44 AM 11/25/11
We'll just blame the holidays. But only this once.

Clint Black 1:44 AM 11/25/11
It's always good to have something to blame stuff on! :)

Kurt Wiegel 1:44 AM 11/25/11
True enough.

Jodi 1:44 AM 11/25/11
Our kids must've not had enough turkey 'cause we had to keep telling them
to stop running and giving their cousin an asthma attack. Oh, to be young
again!

Kurt Wiegel 1:45 AM 11/25/11
mine are clawing at the walls. I'm in Chicago with my inlaws.

Tyler Denning 1:45 AM 11/25/11
Oh boy. Of course, you could always join in the fun and chase the cousin
down.

Kurt Wiegel 1:45 AM 11/25/11

I will neither confirm or deny that we're waiting on the Lady GaGa Thanksgiving special.

Clint Black 1:46 AM 11/25/11

Someone needed to hold the chair down; I volunteered after all the cooking I did.

Tyler Denning 1:46 AM 11/25/11

There's a Lady Gaga Thanksgiving special? And people wonder why I don't watch much TV anymore. lol

Clint Black 1:46 AM 11/25/11

Can't say much; Lady Gaga sings the theme song for one of Jodi's characters.

Tyler Denning 1:46 AM 11/25/11

Should I ask?

Clint Black 1:47 AM 11/25/11

Oops, she just looked back at the chat.

Clint Black 1:47 AM 11/25/11

LOL

Kurt Wiegel 1:47 AM 11/25/11

The Pathfinder beginning box keeps flashing by on my screen. I just reviewed that this week.

Jodi 1:47 AM 11/25/11

brb, having trouble turning off the shipping.

Kurt Wiegel 1:47 AM 11/25/11

Born this way? bad romance? edge of glory?

Tyler Denning 1:47 AM 11/25/11

I've heard a lot of good things about the Beginner's Box

Clint Black 1:47 AM 11/25/11

It's nice. I'm planning on getting one just for the map, pawns, and bases really.

Clint Black 1:47 AM 11/25/11

Just dance!

Kurt Wiegel 1:48 AM 11/25/11

Its totally worth it. I gave mine to my producer for his son who's desperately trying to break into RPing.

Tyler Denning 1:48 AM 11/25/11

Ok. Could be MUCH worse. Nobody wants a song titled "Bad Romance" about their bard...

Clint Black 1:48 AM 11/25/11

It's her pixie flapper in Mark's Mobsters & Monsters game.

Kurt Wiegel 1:48 AM 11/25/11
We got into GaGa through Glee, I'll admit.

Tyler Denning 1:49 AM 11/25/11
Fair enough. Radio got me.

Clint Black 1:49 AM 11/25/11
Eek. The sighs of frustration are growing from Jodi. :(

Kurt Wiegel 1:49 AM 11/25/11
Is that why she keeps popping in and out like she's unstuck in time?

Clint Black 1:50 AM 11/25/11
She's trying to get the free shipping activated for the weekend special.
Not going well from what I can tell.

Tyler Denning 1:50 AM 11/25/11
I believe so. She's like every other pop star. One big hit on an album
and then nothing. Except, exemplified. You don't hear ANYTHING from her
until it's big.

Tyler Denning 1:50 AM 11/25/11
Oh! You meant Jodi. Heh.

Clint Black 1:51 AM 11/25/11
lol

Kurt Wiegel 1:51 AM 11/25/11
I keep hearing a TARDIS when her name pops up and vanishes.

Clint Black 1:51 AM 11/25/11
Lady Gaga: Unstuck in Time. I see an album AND an RPG!

Tyler Denning 1:52 AM 11/25/11
I'm thinking the Weeping Angels. I'll look and she's there. Look away
then she's gone.

Kurt Wiegel 1:52 AM 11/25/11
Oh sweet Jesus. I'm seeing that too. Narrated by Jane Lynch. Just go with
it.

Kurt Wiegel 1:52 AM 11/25/11
with. keyboard strikes.

Guest Clara 1:53 AM 11/25/11
4E Rules set?

Clint Black 1:53 AM 11/25/11
Wiggy! Happy American Thanksgiving!

Paul Wade-Williams 1:53 AM 11/25/11
Happy colonial turkey eating holiday!

Kurt Wiegel 1:53 AM 11/25/11
No- FATE. Aspects like "Meat Dress," "house of GAGA"

Kurt Wiegel 1:53 AM 11/25/11
Wiggly?! What ho?

Tyler Denning 1:53 AM 11/25/11
It could be the first Interactive RPG. Play a CD and/or DVD and occasionally it'll spout out a song of something which must happen in the game.

Paul Wade-Williams 1:53 AM 11/25/11
Hi mate

Fred Dailey 1:54 AM 11/25/11
That could be scary as all get out.

Clint Black 1:54 AM 11/25/11
I've got to contact Fred Hicks, so he can get on this!

Kurt Wiegel 1:54 AM 11/25/11
Roll Telephone?

Tyler Denning 1:54 AM 11/25/11
Oh, a lot of big names are in here. I feel small now. lol

Clint Black 1:54 AM 11/25/11
I Tag my Bad Romance to reach the Edge of Glory!

Paul Wade-Williams 1:55 AM 11/25/11
We're all just gamers, Tyler :)

Kurt Wiegel 1:55 AM 11/25/11
Dinger. Made of win.

Tyler Denning 1:55 AM 11/25/11
Well, big names in gaming at least. Heh.

Fred Dailey 1:55 AM 11/25/11
And gamers = friends. Time to drink virtual root beer and let the good times roll.

Clint Black 1:55 AM 11/25/11
Truly Church (Tyler's nickname). This is all about us all just being gamers and being thankful for gaming.

Tyler Denning 1:55 AM 11/25/11
I'll drink to that! :D

Kurt Wiegel 1:55 AM 11/25/11
Yeah, I'm just a gamer (occasionally frustrated).

Kurt Wiegel 1:55 AM 11/25/11

Amen.

Tyler Denning 1:56 AM 11/25/11

Well, usually I'm in class when this chat starts up, so I'm really thankful that I can get in on this weeks.

Clint Black 1:56 AM 11/25/11

Or by big names were you referring to Wiggy and Kurt being part Hill Giant? ;)

Jodi 1:56 AM 11/25/11

OK, I think I got the bugs worked out. Had to restart my browser. Will y'all be my test monkeys and go put something in the checkout cart? Tell me if it charges you shipping. (How's that for a sneaky sales pitch? :))

Fred Dailey 1:56 AM 11/25/11

Kurt...thanks by the way for the Solomon Kane creatures being used for a Conan game tip by the way. Can't believe that I hadn't thought of that one.

Kurt Wiegel 1:57 AM 11/25/11

And since we're on the subject of GAGA, does anyone else think that Edge of Glory sounded like something from St. Elmo's Fire?

Jodi 1:57 AM 11/25/11

totally!

Tyler Denning 1:57 AM 11/25/11

Clint, you know that I still hold you in awe and respect. And signature monkey.

Fred Dailey 1:57 AM 11/25/11

Been too busy listening to the Foo Fighters for the last few weeks. Gaga = Cthulu.

Kurt Wiegel 1:57 AM 11/25/11

Fred: Thanks. and it holds up well.

Kurt Wiegel 1:58 AM 11/25/11

Hill Giant? Well, it does make sense.

Kurt Wiegel 1:58 AM 11/25/11

Oh dear god- cast the Cthulhu Mythos with pop stars....

Jodi 1:58 AM 11/25/11

wow.

Tyler Denning 1:58 AM 11/25/11

Call of Cthulhu (Pop Edition)

Kurt Wiegel 1:59 AM 11/25/11

GaGa=Cthulhu, Katy Perry would have to be Hastur or something....

Clint Black 1:59 AM 11/25/11

Katythotep Perry?

Kurt Wiegel 1:59 AM 11/25/11
Great minds....

Jodi 1:59 AM 11/25/11
I don't know about GREAT

Stephen Miller 1:59 AM 11/25/11
Hi folks. I have to say that today I am thankful for lots of things gaming wise. I am thankful for my recent discovery/obsession of Savage Worlds.

Clint Black 1:59 AM 11/25/11
...and demented ones.

Clint Black 2:00 AM 11/25/11
Hi Stephen!

Jodi 2:00 AM 11/25/11
Hi Stephen! Welcome to the addiction club.

Stephen Miller 2:00 AM 11/25/11
I am thankful for Marc Miller, creator of Traveller, which got me into gaming back in 1979.

Tyler Denning 2:00 AM 11/25/11
Hello Stephen!

Kurt Wiegel 2:00 AM 11/25/11
Hi Stephen.

Fred Dailey 2:00 AM 11/25/11
SW has pretty much changed my way of thinking. Meeting Clint & Jodi @ DICEHEAD SEIGE really helped push me over the edge.

Tyler Denning 2:00 AM 11/25/11
Ahh Traveller. The bane of my gaming group.

Guest Mike 2:01 AM 11/25/11
Then Marc Miller got Tyler into GMing at cons in 2011

Stephen Miller 2:01 AM 11/25/11
I, sadly, was not able to do Savage Saturday Night at GenCon this year, much as I wanted to.

Guest Mike 2:02 AM 11/25/11
hello

Jodi 2:02 AM 11/25/11
I just got the ringer that the chat has now officially started. It's going to be slow tonight due to the holiday, so anything goes!

Pep 2:02 AM 11/25/11
Howdy, All!

Tyler Denning 2:02 AM 11/25/11
Hello Pep

Greg Kerner 2:02 AM 11/25/11
hi all

Kurt Wiegel 2:02 AM 11/25/11
So Wiggy: I've been trolling the region guides and books and I can't find the name of the southern continent in Hellfrsot, as much as I know I've seen the name.

Clint Black 2:02 AM 11/25/11
Hi Pep and Guest Mike... um. Dan and Greg!

Greg Kerner 2:02 AM 11/25/11
lol

Greg Kerner 2:02 AM 11/25/11
happy thanksgiving

Kurt Wiegel 2:02 AM 11/25/11
or am i insane

Paul Wade-Williams 2:02 AM 11/25/11
It has appeared several times. It's known as Al-Shirkuh

Clint Black 2:02 AM 11/25/11
Kurt, it's Blacklandia!

Jodi 2:03 AM 11/25/11
Ah, Dicehead SIEGE. That has not been the worst con we've ever been to! :)
Actually, AC issues were the only issues. We met some great folks there and came away with some great stories!

Daniel Krenzke 2:03 AM 11/25/11
Happy Thanksgiving to ya'll

Stephen Miller 2:03 AM 11/25/11
Funny thing is, I am chatting here instead of working on my next Gaslight campaign book.

Tyler Denning 2:03 AM 11/25/11
It's a holiday. We can let it slide. :D

Clint Black 2:03 AM 11/25/11
Hey, we're officially open! Happy Thanksgiving, gamers/friends!

Greg Kerner 2:04 AM 11/25/11
I was shocked when I read that on FB

Fred Dailey 2:04 AM 11/25/11
So...has anybody gotten a taste of the minor addition war that the Pathfinder guys are going through with this Beginner Box? They have been

freaking out a bit that Pathfinder is going to pull a D&D Essentials on them.

Kurt Wiegel 2:04 AM 11/25/11

Thanks Wiggy. Thats been a raspberry seed in my wisdom tooth for a few days.

Greg Kerner 2:04 AM 11/25/11

Nope. Have not seen it.

Fred Dailey 2:04 AM 11/25/11

that was edition. Stupid turkey hang over.

Clint Black 2:04 AM 11/25/11

Jim is here!

Paul Wade-Williams 2:04 AM 11/25/11

You know you can email me any time, Kurt.

Tyler Denning 2:04 AM 11/25/11

I really can't tell, honestly.

otherdoc 2:04 AM 11/25/11

/me falls out of the sky and lands in the chat room.

Kurt Wiegel 2:04 AM 11/25/11

Wiggy- thanks, but since you were right here....

Pep 2:04 AM 11/25/11

Hi Jim!

Fred Dailey 2:05 AM 11/25/11

Maybe it is just a local thing....

otherdoc 2:05 AM 11/25/11

Allo!

Clint Black 2:05 AM 11/25/11

Fred, hadn't heard about it. The MMO news kind of overwhelmed Pathfinder recently.

Kurt Wiegel 2:05 AM 11/25/11

Pathfinder edition wars: haven't thought of it that way.

Tyler Denning 2:05 AM 11/25/11

MMO? Did I miss something major here?

Stephen Miller 2:05 AM 11/25/11

I do not understand the appeal of MMOs, but maybe I am just cheap.

Paul Wade-Williams 2:05 AM 11/25/11

Is the beginner's box that different, or is it just condensed to ease folk into the rules?

Greg Kerner 2:05 AM 11/25/11

Yeah, I heard about the MMO at ENWorld, but have seen nothing about a feud starting

Tyler Denning 2:05 AM 11/25/11

The only two MMO's I'm excited about is Old Republic and Mechwarrior Online.

Clint Black 2:06 AM 11/25/11

Pathfinder MMO was announced.

Fred Dailey 2:06 AM 11/25/11

Its just a rule lite set. Thought it was pretty cool actually.

Tyler Denning 2:06 AM 11/25/11

Ooooooh. I did miss something big then.

Kurt Wiegel 2:06 AM 11/25/11

I don't get MMOs either, but I've avoided them like the plague- I'm afraid I'd get too adicted.

Stephen Miller 2:06 AM 11/25/11

I have not heard anything about PFRPG vs Starter Set feuds.

Greg Kerner 2:06 AM 11/25/11

I have, however, seen misgivings about Dancey being involved in the MMO

Kurt Wiegel 2:06 AM 11/25/11

Its still Pathfinder, just slimmed down a bit for starters.

Fred Dailey 2:06 AM 11/25/11

That is what I thought

Paul Wade-Williams 2:06 AM 11/25/11

So not really an edition war starter?

otherdoc 2:07 AM 11/25/11

Wait, what company's doing the Pathfinder MMO?

Greg Kerner 2:07 AM 11/25/11

Some company started by Dancey and someone else.

Tyler Denning 2:07 AM 11/25/11

That's what I was about to ask.

Fred Dailey 2:07 AM 11/25/11

Goblinworks

Clint Black 2:07 AM 11/25/11

I seriously doubt any real "edition war" would come of it. Paizo is too smart for that.

Tyler Denning 2:07 AM 11/25/11

So, essentially an Indie company.

Paul Wade-Williams 2:07 AM 11/25/11
HTF is this Dancey?

Stephen Miller 2:07 AM 11/25/11
Goblin something or other.

otherdoc 2:07 AM 11/25/11
He is the harbinger of the apocalypse.

Paul Wade-Williams 2:07 AM 11/25/11
Kewl

Kurt Wiegel 2:07 AM 11/25/11
Wiggy-I didn't see it that way, but I had someone e-mail me the other day asking me about SW Explorers vs SW deluxe.

otherdoc 2:07 AM 11/25/11
;)

Greg Kerner 2:07 AM 11/25/11
One of the forces behind the OGL

Greg Kerner 2:08 AM 11/25/11
supposedly

otherdoc 2:08 AM 11/25/11
He brokered the deal for WotC to by TSR

otherdoc 2:08 AM 11/25/11
that should be BUY TSR

otherdoc 2:08 AM 11/25/11
(me cannot spell)

Kurt Wiegel 2:08 AM 11/25/11
So HE'S Cthulhu....

Clint Black 2:08 AM 11/25/11
Jim, do you remember what TSR was like?

otherdoc 2:08 AM 11/25/11
Very scattershot near the end. More exciting earlier on.

Stephen Miller 2:09 AM 11/25/11
Since I just learned in the forums that there is no big difference between SWEE and SWD, I am no longer concerned about stuff.

otherdoc 2:09 AM 11/25/11
(reminds me of my honeymoon...)

otherdoc 2:09 AM 11/25/11
(drum fill)

Paul Wade-Williams 2:09 AM 11/25/11

SWEX vs SWD? No edition war there. Now if SWD 2.0 came out with totally new mechanics, we'd have an edition war. At best SWD is an update to rules that have barely changed from day one. Cleaned and clarified, tweaked and massaged, but still SW original rules.

Fred Dailey 2:09 AM 11/25/11

I will give Paizo credit..the \$34.99 price point (and free shipping from Beautiful Brains) is a great entry point. Plus a new player could get some serious mileage out of that box set.

Greg Kerner 2:09 AM 11/25/11

run into the ground by mismanagement and bad decisions?

Tyler Denning 2:09 AM 11/25/11

I will say, I LOVE the interludes in the Deluxe edition. We used that in a Serenity game. :D

Stephen Miller 2:09 AM 11/25/11

I just picked up the Pulp toolkits, so I have lots of thigns to read to avoid writing.

Jodi 2:10 AM 11/25/11

So, just to sum up, Paizo released the Beginner's Box (way cool, although I saw one review where they needed to put in a few situational rules like prone, etc.) and they announced the MMO.

Kurt Wiegel 2:10 AM 11/25/11

Wiggly- I know, and I've said as much. Repeatedly.

Pep 2:10 AM 11/25/11

BRB-I think it's time for ice cream.

Tyler Denning 2:10 AM 11/25/11

Still, gutsy move...taking a tabletop RPG to a video game format.

otherdoc 2:10 AM 11/25/11

I occasionally see people fight over SWEX vs Deadlands Classic system, but not very enthusiastically. ;)

Paul Wade-Williams 2:10 AM 11/25/11

Maybe he's from the same camp as folk who don't get that we're not converting our Ubiquity settings to SW

Kurt Wiegel 2:11 AM 11/25/11

I'd need to check, but it may be the same person.....

Paul Wade-Williams 2:11 AM 11/25/11

Yeah, RPG to video game. Why has no one else tried that. No, wait...

otherdoc 2:11 AM 11/25/11

lol

Jodi 2:11 AM 11/25/11

I get the appeal of an MMO, especially when it's been too long between tabletop sessions, but I spend too much time online as it is. MMO has no appeal for me.

Kurt Wiegel 2:11 AM 11/25/11
Ha ha- dinger.

Tyler Denning 2:11 AM 11/25/11
That's what I'm saying. Not many have succeeded if any.

otherdoc 2:11 AM 11/25/11
It's a different kind of beast, really.

Greg Kerner 2:11 AM 11/25/11
same here Jodi

otherdoc 2:11 AM 11/25/11
(D&D 4E aside...)

Tyler Denning 2:11 AM 11/25/11
It's a risk thinking you can do better when it really doesn't lend itself well to do it.

Stephen Miller 2:11 AM 11/25/11
I am trying to think if there are any Battlefield Press announcements I can make without getting into troiuble.

Jodi 2:12 AM 11/25/11
Oh, we love spoilers!

Paul Wade-Williams 2:12 AM 11/25/11
Yeah, the kind of beast that wants my money every month.

Greg Kerner 2:12 AM 11/25/11
Yes, we do!

Clint Black 2:12 AM 11/25/11
Trouble?

otherdoc 2:12 AM 11/25/11
Yeah, mine too. I'm lucky WoW & CoH went free-to-play...

Tyler Denning 2:12 AM 11/25/11
Snape kills... Oh gotcha.

otherdoc 2:12 AM 11/25/11
lol

otherdoc 2:12 AM 11/25/11
The boat sinks!

Paul Wade-Williams 2:12 AM 11/25/11
Jodi, since we don't have a guest host tonight, TAG'll lob in a \$30 e-store voucher as a prize if you're drawing cards

otherdoc 2:12 AM 11/25/11
Vader is Luke's father.

Fred Dailey 2:13 AM 11/25/11
Funny thing here is the D&D backlash with Monte Cook back with WotC and then the PFBB coming out has turned a couple of groups here to PF. They feel that Monte is working on 5E and feel cheated. Gamers and drama are like cookies and ice cream.

Tyler Denning 2:13 AM 11/25/11
No! That's not possible!

Daniel Krenzke 2:13 AM 11/25/11
MMO=Time & Money sink

Clint Black 2:13 AM 11/25/11
Wow. Generous Wiggy for the win!

Paul Wade-Williams 2:13 AM 11/25/11
NOOOOOO! You've ruined Star Wars for me before I've even watched it

Stephen Miller 2:13 AM 11/25/11
Yeah, I have not asked Jonathan if I can mention anything.

Kurt Wiegel 2:13 AM 11/25/11
rosebud is a sled....

otherdoc 2:13 AM 11/25/11
The mole is Bill Hayden.

Jodi 2:13 AM 11/25/11
Just checking - is that for tonight or your chat on Dec. 15th?

Paul Wade-Williams 2:13 AM 11/25/11
Tonight

Greg Kerner 2:13 AM 11/25/11
sshh. now you ruined the ending!

Jodi 2:13 AM 11/25/11
Wow thanks!

Fred Dailey 2:13 AM 11/25/11
Oh...did 50 Fathoms come out this week? I have been wanting to check that out?

Paul Wade-Williams 2:13 AM 11/25/11
15th prize is still the PDF of LOA when it comes out

Greg Kerner 2:14 AM 11/25/11
LOA?

Jodi 2:14 AM 11/25/11

We can make that happen, then. Clint, get the cards out!

Paul Wade-Williams 2:14 AM 11/25/11
Leagues of Adventure. Ubiquity steampulp setting

Greg Kerner 2:14 AM 11/25/11
neat!

Tyler Denning 2:14 AM 11/25/11
Oh, I like that idea.

Paul Wade-Williams 2:14 AM 11/25/11
Or, HEX a generation early :)

Pep 2:14 AM 11/25/11
Nom nom nom....

Tyler Denning 2:14 AM 11/25/11
I enjoy running Space 1889 when I get a chance. More Steampulp? I'll take it!

Jodi 2:14 AM 11/25/11
Good tag line. (rim shot)

Tyler Denning 2:15 AM 11/25/11
I really should play more Victoriana.

otherdoc 2:15 AM 11/25/11
Oh crap, I forgot that movie's coming out... Ignore my last sentence.
(hides shamefully)

Clint Black 2:15 AM 11/25/11
Yes, dear, doing it, dear, can't be doing it if you don't stop nagging me.

Fred Dailey 2:15 AM 11/25/11
Ohhhhhhh. Clint is going to get in trouble....

Tyler Denning 2:15 AM 11/25/11
I'm thankful that I'm not in that household.

Stephen Miller 2:15 AM 11/25/11
Oh, I did think of something I am working on for Gaslight that I can talk about.

Kurt Wiegel 2:15 AM 11/25/11
Hold on- I'm hiding under the table now....

Jodi 2:16 AM 11/25/11
He's in arm's reach. I can smack him. But I'm drinking. Don't want to spill my drink. :)

Greg Kerner 2:16 AM 11/25/11
is Gaslight Victorian Era or Victorian Era with Fantasy?

Daniel Krenzke 2:16 AM 11/25/11
I got 2ed of Victoriana on pdf & odt

Kurt Wiegel 2:16 AM 11/25/11
I didn't know you were a wisconsiner Jodi....

Stephen Miller 2:16 AM 11/25/11
It is Victorian Fantasy.

Greg Kerner 2:16 AM 11/25/11
brb

Daniel Krenzke 2:16 AM 11/25/11
victoriana = Shadowrun in 1868

otherdoc 2:16 AM 11/25/11
Ah, good. Drinking is always preferable. Speaking of which... (reaches for Smirnoff Ice...)

Fred Dailey 2:16 AM 11/25/11
My wife is watching HGTV. I have 1 hour of peace for a weekend of Honey-Do-Lists

otherdoc 2:17 AM 11/25/11
Is the Prime Minister a dragon?

Jodi 2:17 AM 11/25/11
Actually, my Dad went to Gale-Ettrick High School, WI.

Tyler Denning 2:17 AM 11/25/11
Should be.

Kurt Wiegel 2:17 AM 11/25/11
Speaking of victorian games and a shameless plug for Tim Brannen: Ghosts of Albion just came hard copy.

Daniel Krenzke 2:17 AM 11/25/11
Cheesehead born & bred here

Jodi 2:17 AM 11/25/11
Which publisher, Kurt?

Tyler Denning 2:17 AM 11/25/11
Oooh.

Tyler Denning 2:17 AM 11/25/11
That sounds good Kurt.

Stephen Miller 2:18 AM 11/25/11
No, the PM is not a dragon, but Dr. Moreau's beastmen are around, as are Holmes, Nemo, and a bunch of other fictional characters.

Kurt Wiegel 2:18 AM 11/25/11
Jodi- oh cool. Daniel: where are you from?

otherdoc 2:18 AM 11/25/11
Much coolness. :)

Kurt Wiegel 2:18 AM 11/25/11
Jodi: Eden studios.

Daniel Krenzke 2:18 AM 11/25/11
I was raised in Merrill WI...live in NC now

Paul Wade-Williams 2:18 AM 11/25/11
Anyone here on FB?

Jodi 2:18 AM 11/25/11

Paul Wade-Williams 2:19 AM 11/25/11
Then I recommend Liking the Mad Science Institute. Sechin Tower of EGS has a new novel coming out soon. Shameless plug over. :)

Kurt Wiegel 2:19 AM 11/25/11
I probably shouldn't say that in open forum....

Kurt Wiegel 2:19 AM 11/25/11
Then again, it is all over the show....

otherdoc 2:19 AM 11/25/11
Too late. Our satellites are pointing at you already. >:)

Daniel Krenzke 2:19 AM 11/25/11
LOL

Kurt Wiegel 2:20 AM 11/25/11
Thanks Wiggy, I'll take a look. I played in a MARS game of his at GenCon.

otherdoc 2:21 AM 11/25/11
Done and done.

Greg Kerner 2:21 AM 11/25/11
Thank you Clint

Tyler Denning 2:21 AM 11/25/11
Thank you Clint. you popped in my sideFacebook and it saved me the time of clicking

Paul Wade-Williams 2:21 AM 11/25/11
And he looks great in LEGO :)

Jodi 2:21 AM 11/25/11

otherdoc 2:21 AM 11/25/11
There's a Side Facebook?

Jodi 2:21 AM 11/25/11

otherdoc 2:21 AM 11/25/11
Is it anything like the UnderFacebook?

Tyler Denning 2:22 AM 11/25/11
I don't know what else to call it.

Jodi 2:22 AM 11/25/11
It's that darn refeed thingy

otherdoc 2:22 AM 11/25/11
(Forgive me, folks, I'm coming off a sugar high)

Tyler Denning 2:22 AM 11/25/11
I'm tired, leave me alone! :X

Clint Black 2:22 AM 11/25/11
I tried TwoFacebook, but it gave me mixed signals.

Fred Dailey 2:22 AM 11/25/11
Its called Profile.

Fred Dailey 2:22 AM 11/25/11
Yeah...that was lame.

Tyler Denning 2:22 AM 11/25/11
What about FriendFace?

Kurt Wiegel 2:22 AM 11/25/11
TwoFacebook: by Janus industries?

otherdoc 2:22 AM 11/25/11
(sorry; I just get fascinated by applying dimensional physics to social media sites)

Clint Black 2:22 AM 11/25/11
Nice Kurt

FriendFace!!!

Stephen Miller 2:22 AM 11/25/11
Yeah Tyler, love that IT Crowd.

Jodi 2:22 AM 11/25/11

Greg Kerner 2:23 AM 11/25/11
Jodi, I am there too. My web design instructor/former boss pushes it!

Stephen Miller 2:23 AM 11/25/11
OK, hang on

Tyler Denning 2:23 AM 11/25/11
I need to post more stuff on there. But it requires me to sign out of youtube. >_<'

Jodi 2:24 AM 11/25/11
I like the concept of posting gaming-only stuff in the Gamers circle, but my phone gives me an ALL or Incoming feed read. Can't figure out what Incoming means... except "duck!"

Stephen Miller 2:24 AM 11/25/11
OK, you are circled.

Clint Black 2:25 AM 11/25/11
Cricle you?

Jodi 2:25 AM 11/25/11
Thanks! Jim, apparently I already had you. Do you feel used? ;)

Clint Black 2:25 AM 11/25/11
Circle, dang it!

Stephen Miller 2:25 AM 11/25/11
Incoming are people who have circled you but you have not circled them.

Tyler Denning 2:25 AM 11/25/11
You got Circled! :D

Stephen, are you the same Stephen Miller from TSR's Ravenloft and Nuelow?

Kurt Wiegel 2:25 AM 11/25/11
Wow, theres a lot of circling in this room....

Paul Wade-Williams 2:25 AM 11/25/11

Jodi 2:26 AM 11/25/11
you better. ;)

Kurt Wiegel 2:26 AM 11/25/11
oh dear god please stop....

otherdoc 2:26 AM 11/25/11
(hangs head in shame)

Stephen Miller 2:26 AM 11/25/11
Greg, sadly, no. I wish I had written some of his stuff.

Jodi 2:27 AM 11/25/11
I'm so thankful for gamers with social graces!

Clint Black 2:27 AM 11/25/11
Does everyone know about JourneyQuest?

Paul Wade-Williams 2:27 AM 11/25/11
Is that like GalaxyQuest?

Clint Black 2:27 AM 11/25/11
Actually, kind of.

Stephen Miller 2:27 AM 11/25/11
Yes Clint, I know about it.

Kurt Wiegel 2:27 AM 11/25/11
No whats that?

Greg Kerner 2:27 AM 11/25/11
JourneyQuest, what is that ;)

Tyler Denning 2:27 AM 11/25/11

Yes! As soon as I get paid tomorrow, i'm donating \$25 so I can create "Church" in Orcish

Fred Dailey 2:27 AM 11/25/11

Off topic question. How big is "retro-gaming" in your gaming groups?

Greg Kerner 2:28 AM 11/25/11

@Fred Not at all.

Jodi 2:28 AM 11/25/11

So, JourneyQuest is a webseries by our friends who did the Gamers movies

Kurt Wiegel 2:28 AM 11/25/11

Fred: whats retrogaming?

Jodi 2:28 AM 11/25/11

Clint's getting the link for you all

Tyler Denning 2:28 AM 11/25/11

@Fred: Actually, I keep pushing for older games in my gaming groups. I hear great stories about them, so I want to try them.

Kurt Wiegel 2:28 AM 11/25/11

Oh dear god: Dead Gentlemen? Tell me more tell me more

Pep 2:28 AM 11/25/11

I want to learn and run Mutant Future at some point.

otherdoc 2:28 AM 11/25/11

Not too big. We reminisce about older games a lot though.

Fred Dailey 2:28 AM 11/25/11

OSRIC, Labyrinth Lord, Sword & Wizardry...

Kurt Wiegel 2:29 AM 11/25/11

Like does he have a car....

Clint Black 2:29 AM 11/25/11

<http://www.kickstarter.com/projects/zombieorpheus/journeyquest-season-2>

Fred Dailey 2:29 AM 11/25/11

D&D Retro-Clones

otherdoc 2:29 AM 11/25/11

And by reminisce, I mean explore our selective amnesia.

Kurt Wiegel 2:29 AM 11/25/11

Sorry- pavolvian reaction.

Jodi 2:29 AM 11/25/11

We've supported it and hope you all will too.

Tyler Denning 2:29 AM 11/25/11
<http://www.journey-quest.com/> There's the series itself

otherdoc 2:29 AM 11/25/11
Looks interesting!

Clint Black 2:29 AM 11/25/11
They released Season 1 for free, and have a Kickstarter for Season 2 (link above)

Tyler Denning 2:29 AM 11/25/11
I can't wait to see the Savage Worlds playing. >:)

Clint Black 2:30 AM 11/25/11
They are friends and are supporting Savage Worlds with an additional offer.

Stephen Miller 2:30 AM 11/25/11
If I was not trying to recover from spending the last 3 years unemployed and now getting back on my feet, I would contribute to the cause.

Daniel Krenzke 2:30 AM 11/25/11
If I can get my Parent to send them to me (after locating them) I'll have my games from the early to mid 80s for a retro campaign or two

Tyler Denning 2:30 AM 11/25/11
@Dan: FASA Star Trek is my vote.

Clint Black 2:30 AM 11/25/11
All contributors have to do is note in the Comments to apply their money to Savage Worlds.

Jodi 2:30 AM 11/25/11
As for the retro-gaming question, Freddie, no, we pretty much only fantasize about all the cool games coming out that we'll never have time to play! We reminisce about old games when the old group gets together, but it's about the storyline, not the system. Sorry.

Stephen Miller 2:31 AM 11/25/11
I think it is a great idea, and I love their work.

Clint Black 2:31 AM 11/25/11
If we hit \$5000, they will make a video of themselves playing Savage Worlds. Yes, a professional actual play by the guys who did Dorkness Rising.

Tyler Denning 2:31 AM 11/25/11
I can't wait!

Jodi 2:31 AM 11/25/11
How cool is that?! squeeing

Tyler Denning 2:31 AM 11/25/11
How much have they raised to SW?

Greg Kerner 2:32 AM 11/25/11

I fantasize about all the Savage Worlds products that I still have to buy along with some Cortex, Cortex+, M&M and Ubiquity :P

Clint Black 2:32 AM 11/25/11

We also get to "sponsor" an episode. We already have partial sponsorship, but \$5K would make one episode solely sponsored by the Savages.

Tyler Denning 2:32 AM 11/25/11

oooh. :D

Fred Dailey 2:33 AM 11/25/11

My current problem is trying to pick which SW setting I want to run. There are too many cool ones to choose from.

Paul Wade-Williams 2:33 AM 11/25/11

Greg, if you win tonight, you could use the voucher to buy All for One ;)

Tyler Denning 2:33 AM 11/25/11

@Greg: I'm just waiting for Deadlands: Hell on Earth Savage. *wink wink nudge nudge Clint*

Kurt Wiegel 2:33 AM 11/25/11

OK- signs the apocalypse is upon us: Lady Gaga and tony bennet....

Stephen Miller 2:33 AM 11/25/11

I know what you mean Fred. I WRITE a setting and I still find many others I want to play.

Jodi 2:33 AM 11/25/11

Last I heard it was \$3800 or so.

Fred Dailey 2:33 AM 11/25/11

Gamer ADD is what I call it.

Greg Kerner 2:34 AM 11/25/11

or Hellfrost or Sundered Skies

Kurt Wiegel 2:34 AM 11/25/11

I have a hard time deciding on settings and games too. Sundered skies really trips my trigger for some reason.

Fred Dailey 2:34 AM 11/25/11

Solomon Kane...but I am the only R.E.Howard fan in my group.

Pep 2:34 AM 11/25/11

I have realized there's no way I'll read everything in my RPG collection and need to get rid of some of the books.

Tyler Denning 2:34 AM 11/25/11

Sundered Skies does look really interesting. Gotta see which group would play it.

Tyler Denning 2:34 AM 11/25/11

But I FINALLY get to play more Dresden Files. Well, run it. After that...Battletech. I'm so excited.

Greg Kerner 2:35 AM 11/25/11

Being mauled by a big puppy!

Fred Dailey 2:35 AM 11/25/11

SLIPSTREAM....sorry got all excited and hit the CAPS button.

Jodi 2:35 AM 11/25/11

That's only \$1200. I suspect a lot of Savages have given and just haven't said "put that to the Savage total!"

otherdoc 2:35 AM 11/25/11

I've got a massive list of games I still need to try; I started a semi-weekly group for it and I STILL think I'll never get to a lot of them.

Clint Black 2:35 AM 11/25/11

Anyway, best thing now is to get the word out to as many Savages/gamers as possible. If you have an outlet in the next 37 hours, please use it.

Pep 2:35 AM 11/25/11

I had a Sundered Skies campaign go for about two years (playing monthly) but I think it's done.

Tyler Denning 2:35 AM 11/25/11

@Dan: Donate to JournyQuest.

Stephen Miller 2:35 AM 11/25/11

I just picked up Agents of Oblivion. Having a ball reading through it.

Jodi 2:35 AM 11/25/11

Fred, want some help figuring out which setting?

Kurt Wiegel 2:36 AM 11/25/11

Wait- Agents of Oblivion is out? Crap I missed that one.

Tyler Denning 2:36 AM 11/25/11

@Pep: Obviously 2 years you must like it. What about the setting intrigues you?

Stephen Miller 2:36 AM 11/25/11

@Kurt Yes, the PDF is out. Got it a few weeks ago.

Fred Dailey 2:36 AM 11/25/11

@ Jodi...sure. I have picked up few.

Jodi 2:36 AM 11/25/11

http://beautifulbrains.rpgnow.com/product_info.php?products_id=95686

Jodi 2:36 AM 11/25/11

Agents of Oblivion out in .pdf only so far

Kurt Wiegel 2:36 AM 11/25/11
Fred- well, I've reviewed a few....

Pep 2:37 AM 11/25/11
@Tyler: It's post-apocalyptic fantasy, and I like post-apoc settings.

Fred Dailey 2:37 AM 11/25/11
I know...I have watched them all. :)

Kurt Wiegel 2:37 AM 11/25/11
Ha. Thanks.

Tyler Denning 2:37 AM 11/25/11
Fair enough.

Fred Dailey 2:37 AM 11/25/11
Great show BTW

Kurt Wiegel 2:37 AM 11/25/11
Thanks a lot. That WASN'T meant to e a shameless plug, but I'll roll with it.

Tyler Denning 2:37 AM 11/25/11
Agreed with Fred here. I love the show Kurt. Thank you for what you do man. It's hard to maintain a neutral bias when you review products.

Pep 2:38 AM 11/25/11
SS can be tough to run as you won't be able to drop some published adventures into it because of it's very nature.

Jodi 2:38 AM 11/25/11
Fred, you bought a Necessary Evil and Space 1889 from me, right?

Fred Dailey 2:38 AM 11/25/11
SS? Sundered Skies or Slipsteam.

Paul Wade-Williams 2:38 AM 11/25/11
There should be a new Skies adventure out on Wednesday (all being well)

Pep 2:38 AM 11/25/11
Sundered Skies.

Fred Dailey 2:38 AM 11/25/11
Yes.

Jodi 2:38 AM 11/25/11
Any others in your stock?

Jodi 2:39 AM 11/25/11
that you're considering?

Daniel Krenzke 2:39 AM 11/25/11
Kurt...it is great that you do positive reviews...mostly...I saw the 4e 2 parter

otherdoc 2:39 AM 11/25/11

Okay, just G+ed a link to the kickstarter mentioning to vote for Savage Worlds. :)

Jodi 2:40 AM 11/25/11

Thanks Jim!

Clint Black 2:40 AM 11/25/11

Thanks!

Kurt Wiegel 2:40 AM 11/25/11

Thanks Dan.

Fred Dailey 2:40 AM 11/25/11

@ Jodi Have Deadlands, Slipstream, Weird Wars II, Rippers, as well. Looking at 50 Fathoms and Solomon Kane. So many great settings and one smooth game engine. I love you guys. (and gals. :)

otherdoc 2:40 AM 11/25/11

(Hey, I had to do SOMETHING unselfish today...) ;{D

Paul Wade-Williams 2:41 AM 11/25/11

What I love about Kurt's views is that he reviews what he has in front of him, not what he'd like to see. Too many "reviews" end up as personal opinions about what the reviewer thinks should have been included.

Clint Black 2:41 AM 11/25/11

I love our gals too!

Jodi 2:41 AM 11/25/11

Wow, quite a list!

Tyler Denning 2:41 AM 11/25/11

Exactly Paul

Jodi 2:41 AM 11/25/11

What does your group typically enjoy in a campaign?

Paul Wade-Williams 2:41 AM 11/25/11

Who's Paul?

Kurt Wiegel 2:41 AM 11/25/11

Thanks Wiggy. I really appreciate it.

Greg Kerner 2:41 AM 11/25/11

My SS buy list, Fantasy Companion, Darwin's World, Hellfrost, Sundered Skies, Beasts and Barbarians, Sherwood, Gaslight, Pirates of the Spanish Main, War of the Dead weeks 2-4, Iron Dynasty, Interface Zero, Totems of the Dead, Horror Companion

Tyler Denning 2:41 AM 11/25/11

Wiggy, sorry. XD

Jodi 2:42 AM 11/25/11
Big list, Greg! Expensive too. :)

Paul Wade-Williams 2:42 AM 11/25/11
I updated the Savage Worlds wikipedia page with all the TAG products.
Between use and the other licensees, there's plenty of choice out there

Kurt Wiegel 2:42 AM 11/25/11
Jodi- normally my group likes pretty deep roleplaying and making a
consistent world, but they need a break so now they just want to kill
stuff....

otherdoc 2:42 AM 11/25/11
Oh, you're THAT Kurt Wiegel! (just checked YouTube) I've seen your show
before. Good stuff. :)

Jodi 2:42 AM 11/25/11
It's REALLY hard to keep track.

Greg Kerner 2:42 AM 11/25/11
Yeah and since I am only working part time, it will be a while before I
complete it.

Kurt Wiegel 2:43 AM 11/25/11
Thanks Otherdoc.

Jodi 2:43 AM 11/25/11
Rippers can be a great twist on the "Just Kill Stuff" thing. Kill, rip
their claws, implant, kill, rip their fangs, implant... go insane!

Tyler Denning 2:43 AM 11/25/11
Oh, I didn't get thanked. I feel so left out. :P lol

Stephen Miller 2:43 AM 11/25/11
Greg, those are the ones you want, or the ones you have?

Jodi 2:44 AM 11/25/11
Deadlands too.

Kurt Wiegel 2:44 AM 11/25/11
Sorry tyler. Thanks a lot.

Fred Dailey 2:44 AM 11/25/11
D&D 4E. Not knocking it...but geez it is boring me to death. I ran a demo
for them using Clint's Lord John Bedford (and Margret his trusty gun) in
Space:1889...but I think it was so different than what they were
expecting it kind of threw them. It and the copies of the Explorers guide
I gave each of them. You all kind of had a big impact on me.

Greg Kerner 2:44 AM 11/25/11
Need.

Tyler Denning 2:44 AM 11/25/11
Lol, I'm just messing man.

Jodi 2:44 AM 11/25/11

Both are also good campaigns, but you might want to wait for the updated Rippers for the campaign.

Stephen Miller 2:44 AM 11/25/11

Well, I do have copies of Gaslight that I can sign...

Paul Wade-Williams 2:44 AM 11/25/11

Actually, Kurt, while you're here, can I make you the Mayor of Chicago in something I'm writing? I want a stern mayor type, so I want to use William "Curt" Wiegel as a personal nod to a good buddy.

Kurt Wiegel 2:45 AM 11/25/11

kids are going nuts. BE back in a minute.

Paul Wade-Williams 2:45 AM 11/25/11

Sorry for all the typos -- the 80 mph wind is distracting :(

Kurt Wiegel 2:45 AM 11/25/11

Wiggly- absolutley. I'd be honored.

Clint Black 2:45 AM 11/25/11

I imagine so, Wiggy

Jodi 2:45 AM 11/25/11

So maybe you need to go with something a little more familiar. Deadlands is an easy theme/genre to fit into.

otherdoc 2:45 AM 11/25/11

Whoa - are you typing from the seat of a biplane? And if not is it okay for me to believe you are?

Fred Dailey 2:46 AM 11/25/11

The explorer editon DL:PG is out or will be soon right?

otherdoc 2:46 AM 11/25/11

Cause it'd be cool.

Pep 2:46 AM 11/25/11

LOL!

Paul Wade-Williams 2:46 AM 11/25/11

No, just a small island. Listening for the sound of anything being torn off the house.

Greg Kerner 2:46 AM 11/25/11

Has there been any word when Dog House rules will, actually, finish Sidewinder for Savage Worlds?

Jodi 2:46 AM 11/25/11

no not yet, but soon. January?

Tyler Denning 2:46 AM 11/25/11

Deadlands is another setting I'd like to play seriously.

otherdoc 2:46 AM 11/25/11

Deadlands is one of my most favorite things on the planet.

Greg Kerner 2:46 AM 11/25/11

I was hoping that Hell on Wheels would be Deadlandish.

Fred Dailey 2:47 AM 11/25/11

I also thought I would toss them some of the DL Comics that have come out to give them an idea of the flavor of that setting. Oh..check out the Sixth Gun by Oni Press...GREAT COMIC with a DL vibe.

Tyler Denning 2:47 AM 11/25/11

I read over the rules, they look awesome! I just love the "Veteran of the West" edge. I'd be ok with just drawing the card without the Experience boost.

Jodi 2:47 AM 11/25/11

We've had some awesome games in Deadlands, but nothing more than 3-5 sessions. We haven't played it with our group in a long time.

Jodi 2:47 AM 11/25/11

Hmmm...

Fred Dailey 2:47 AM 11/25/11

Tyler...that is what we all thought until we drew that card.

Stephen Miller 2:48 AM 11/25/11

I have wanted to play Deadlands, but haven't had the chance yet.

Tyler Denning 2:48 AM 11/25/11

Oh no, I love the flavor behind it. I'd be ok with losing an arm. Backstory gets interesting. >:)

otherdoc 2:48 AM 11/25/11

(Now attempting something...)

Fred Dailey 2:48 AM 11/25/11

I played the game back in 1999-2000. Still one of the best games I have ever played.

Pep 2:48 AM 11/25/11

I think this chat software is a huge improvement over the old software.

otherdoc 2:48 AM 11/25/11

/nick Jim Ryan

otherdoc 2:48 AM 11/25/11

(nope, didn't work...)

Greg Kerner 2:48 AM 11/25/11

I should ask my friend to have her husband bring Deadlands to run if they come out this weekend.

Jodi 2:49 AM 11/25/11

I've played some twisted DL Veterans o' the Weird West characters... one had almost every Hindrance and was a lot of fun!

Greg Kerner 2:49 AM 11/25/11

They love that game

Tyler Denning 2:49 AM 11/25/11

Though I will say, Favorite SW setting is still Space 1889.

Fred Dailey 2:49 AM 11/25/11

Blind gun-fighter.....that one was most interesting.

Jodi 2:50 AM 11/25/11

Jim, in the right hand sidebar, you can give yourself a tag line with your own name, or sign out and sign in with Facebook.

otherdoc 2:50 AM 11/25/11

I ran a year-and-a-half-long campaign a while back about hunting undead outlaws competing for power. `Twas fun.

alisa 2:50 AM 11/25/11

I haven't played the current Deadlands, but am really enjoying the old version. My group is finishing up a campaign now.

Tyler Denning 2:50 AM 11/25/11

Always is.

Fred Dailey 2:50 AM 11/25/11

Never cared for Space:1889 until Clint ran a demo game. Bought the setting that day from Jodi.

Fred Dailey 2:50 AM 11/25/11

I love it now.

Jodi 2:50 AM 11/25/11

Alisa - we saw you at MACE, right?

Tyler Denning 2:50 AM 11/25/11

Actually, I got to play in Clint's Space 1889 game before it was released. Good old Professor Harrington.

Stephen Miller 2:50 AM 11/25/11

I was a fan of Space:1889 back in the GDW days.

alisa 2:51 AM 11/25/11

Yes Indeed. A fun weekend.

otherdoc 2:51 AM 11/25/11

Thanks, Jodi - I'll try being me next time as we're getting closer to the hour now. :)

Tyler Denning 2:51 AM 11/25/11

MACE was pretty awesome.

Jodi 2:51 AM 11/25/11

Hi! Thought so, you're the only one I know of who spells it that way.

Fred Dailey 2:51 AM 11/25/11

Lord John Bedford...lover of women, hunter of big honking lizards....

Jodi 2:51 AM 11/25/11

Oh, look at the time!

Stephen Miller 2:51 AM 11/25/11

Yeah, the hour is fast coming to an end.

Greg Kerner 2:52 AM 11/25/11

Space 1889 (and Realms of Cthulhu) are on my list. Earthdawn will also be. Curse Savage Worlds and all of the third parties for this sweet gaming goodness! :D

alisa 2:52 AM 11/25/11

Did I get in too late?

Fred Dailey 2:52 AM 11/25/11

Word Greg...word.

Clint Black 2:52 AM 11/25/11

Hey, quick poll. Is there any interest in the new Pathfinder minis?

Stephen Miller 2:52 AM 11/25/11

OK, has anyone heard of the next Gaslight book coming from Battlefield Press?

Greg Kerner 2:52 AM 11/25/11

nope

Stephen Miller 2:52 AM 11/25/11

I think they look good Clint.

Tyler Denning 2:53 AM 11/25/11

As in the Wargame? No. As for RPGs? yeah.

Kurt Wiegel 2:53 AM 11/25/11

I'll plug Strike Force Seven. It doesn't get much mention and is about as balanced as the Wisconsin government right now, but I've had a heck of a good time playing it.

Pep 2:53 AM 11/25/11

I would be if they were pre-painted. I've been spoiled.

alisa 2:53 AM 11/25/11

Haven't seen them yet.

Greg Kerner 2:53 AM 11/25/11

Not with me. Object on the collectible angle

otherdoc 2:53 AM 11/25/11

My group has started picking them up. They look pretty decent.

Jodi 2:53 AM 11/25/11

Post a card number, no suit needed, if you want Wiggy's \$30 store voucher to Triple Ace Games! And don't forget, to say thank you to you all (and to shameless snag some of the Black Friday spending spree) I've disabled the shipping from now until Monday night, so FREE SHIPPING all weekend! And you can still use IloveBrains to get 10% off, too!

Stephen Miller 2:53 AM 11/25/11

Would anyone *like* to hear about the next Gaslight book?

Greg Kerner 2:53 AM 11/25/11

jack

Stephen Miller 2:53 AM 11/25/11

I will say a nine.

Fred Dailey 2:53 AM 11/25/11

I have only seen the starter pack. They looked okay. Will need to see more before making a choice.

Fred Dailey 2:53 AM 11/25/11

8

Greg Kerner 2:53 AM 11/25/11

Stephen, yes

Tyler Denning 2:53 AM 11/25/11

Does it have to be a number or any card?

Pep 2:53 AM 11/25/11

<<<<yeah, right. Stupid me. I would be, but I have a ton of D&D minis already.

Clint Black 2:54 AM 11/25/11

Any card, Church. No suit needed though. Like Jack is okay.

alisa 2:54 AM 11/25/11

Is it possible to have too many minis? <grin>

Paul Wade-Williams 2:54 AM 11/25/11

If you win the TAG voucher, you'll need to head to our website and create a store account (if you don't have one). Then drop me a line to say it's done (include your real name) and I'll do the rest.

Tyler Denning 2:54 AM 11/25/11

Well then, I'll take ACE!

Tyler Denning 2:54 AM 11/25/11

(Of spades.)

otherdoc 2:54 AM 11/25/11
Only when you reach the Mini Event Horizon.

Jodi 2:55 AM 11/25/11
Well, a certain SOMEONE has half a garage-full, but I guess not...

alisa 2:55 AM 11/25/11
Card?

otherdoc 2:55 AM 11/25/11
(that's when there are enough of them that they begin taking on household chores)

Kurt Wiegel 2:55 AM 11/25/11
Mini event horizon- like a big scary spaceship that looked like an upside down notre dame?

Greg Kerner 2:55 AM 11/25/11
Jodi, would that be you or Clint?

Stephen Miller 2:55 AM 11/25/11
So, the next book for Gaslight has the title of Darwin's Guide to the Mystical and Mundane. It is a bestiary that I am hoping will be available in OGL and SW editions.

Jodi 2:55 AM 11/25/11
Alisa, to give away things, we draw from a deck of cards. If you'd like to be in the running, choose a card number/name, no suit.

alisa 2:55 AM 11/25/11

Jodi 2:55 AM 11/25/11
Clint. Obviously.

alisa 2:56 AM 11/25/11
minis are more addictive than pistachios

Greg Kerner 2:56 AM 11/25/11
Isn't 50% yours or not community property state?

Pep 2:56 AM 11/25/11
I have too many minis. I have four cases of HorrorClix I need to open and sort.

Jodi 2:56 AM 11/25/11
\$30 voucher to the TAG store, y'all. No Free Shipping draw from us this week since you all get it, just to sum up. Pep? Kurt? Jim?

otherdoc 2:56 AM 11/25/11
And they taste just as good! (Mmmm.... delicious plastic...)

Paul Wade-Williams 2:57 AM 11/25/11
I doubt Kurt is in. We have an arrangement. :)

Tyler Denning 2:57 AM 11/25/11

I don't have enough minis. But I do enjoy painting them. Plenty of Mechs to paint. Hee.

Jodi 2:57 AM 11/25/11

I keep a tacklebox full of female minis for myself.

otherdoc 2:57 AM 11/25/11

Nah, I abstain. I'm still getting over the guilt from not using my last win. Ahaha.

Jodi 2:57 AM 11/25/11

nice. It's good to be the Game Geek!

Pep 2:57 AM 11/25/11

I won't participate in the draw.

Kurt Wiegel 2:57 AM 11/25/11

Wiggy took the words right off my keyboard- I;m blessed enough.

Stephen Miller 2:57 AM 11/25/11

@Jodi, my roommate does that too.

Paul Wade-Williams 2:57 AM 11/25/11

Mmm, mechs. Must dust off my old Battletech to SW conversion and play some

Kurt Wiegel 2:57 AM 11/25/11

Jodi- it sure is....

Jodi 2:57 AM 11/25/11

Ok, Clint is drawing!

Tyler Denning 2:57 AM 11/25/11

I love me some Battletech.

Greg Kerner 2:58 AM 11/25/11

draw a bird!

Greg Kerner 2:58 AM 11/25/11

or an airplane!

otherdoc 2:58 AM 11/25/11

Mmmmm, delicious mechs... lots of iron... (Did I actually just type that. I'm ashamed of myself. And yet I hit the enter key anyway.)

Tyler Denning 2:58 AM 11/25/11

draw a blank?

Jodi 2:58 AM 11/25/11

How about a Jack? Greg wins!

Fred Dailey 2:58 AM 11/25/11

wait...its...

alisa 2:58 AM 11/25/11

I have a (too) small stash to paint, and am looking for some exotic. so many to choose from but so little time...

Paul Wade-Williams 2:58 AM 11/25/11
Congrats, Greg

Fred Dailey 2:58 AM 11/25/11
Grats!!!

Stephen Miller 2:58 AM 11/25/11

Clint Black 2:59 AM 11/25/11
Yes, and remember, Wiggy will be back on Dec. 15th to discuss Leagues of Adventure!

Kurt Wiegel 2:59 AM 11/25/11

Well, I need to off. My kids are off to bed. This has been awesome. Happy Thanksgiving all. See you soon.

Paul Wade-Williams 2:59 AM 11/25/11
I will indeed.

Tyler Denning 2:59 AM 11/25/11
I think I have an exam then. T.T

Clint Black 2:59 AM 11/25/11
Bye, Kurt!

Greg Kerner 2:59 AM 11/25/11
now need to decide between Hellfrost, Sundered Skies, or All For One.

Stephen Miller 3:00 AM 11/25/11
Sounds fun!

Wiggys- and one often succeeded.

Stephen Miller 3:00 AM 11/25/11
Jodi, I will let folks know at my Friday Fun Day tomorrow.

Jodi 3:00 AM 11/25/11
Thanks!

Paul Wade-Williams 3:00 AM 11/25/11
WTF is all this Black Friday stuff?

Jodi 3:01 AM 11/25/11
Kobold Quarterly and Open Design here next week, folks!

Stephen Miller 3:01 AM 11/25/11
Good night folks.

alisa 3:01 AM 11/25/11
g'night all.

Pep 3:01 AM 11/25/11
Jodi, do you have the map pack: Mines?

Jodi 3:01 AM 11/25/11
No Black Friday in Britain, I guess. Oh, to be a Brit!

Tyler Denning 3:01 AM 11/25/11
Good night everyone. Thanks for making tonight awesome! :D

otherdoc 3:01 AM 11/25/11
It's the Running of the Shoppers.

Clint Black 3:01 AM 11/25/11
The day after Thanksgiving has become "Black Friday." A day dedicated to ME!

Fred Dailey 3:01 AM 11/25/11
Don' ask. People lose their minds over crap they wouldn't normally buy at regular price.

Jodi 3:01 AM 11/25/11
Actually, I have one copy Pep!

otherdoc 3:01 AM 11/25/11
lol

Clint Black 3:01 AM 11/25/11
That's what I was told.

Paul Wade-Williams 3:01 AM 11/25/11
Oh, Christmas, as we call it. ;)

Jodi 3:02 AM 11/25/11
I didn't list it since I wasn't planning on stocking it. They sent me an extra one this week by mistake and figured I'd keep it!

Fred Dailey 3:02 AM 11/25/11
Sorry...my true thoughts came out there.

otherdoc 3:02 AM 11/25/11
It's become about as safe as the similarly-themed in Pamplona.

otherdoc 3:02 AM 11/25/11
Gah.

Greg Kerner 3:02 AM 11/25/11
Maybe it is Jodi it is a day for Jodi?

Jodi 3:02 AM 11/25/11
True dat

otherdoc 3:02 AM 11/25/11
Similarly-themed EVENT in Pamplona.

Jodi 3:02 AM 11/25/11
It should be OUR day, right?

Pep 3:02 AM 11/25/11
If it were listed, I would buy it.

Clint Black 3:02 AM 11/25/11
Yeah, she deserves it more than me.

Clint Black 3:03 AM 11/25/11
Jodi says to just buy a different Map Pack, and she will send you the
Mines, Pep.

Jodi 3:03 AM 11/25/11
Wiggy, basically it's the day that most retailers here in the US actually
get out of the red and into the black for the year. So now there are huge
sales and stampedes and people camping outside stores and even starting to
shop at midnight.

Fred Dailey 3:03 AM 11/25/11
And that is why I will tell my friends to celebrate the real Black Friday.
Shop at Beautiful Brains, books & Games. Your grinch heart will grow 3
sizes bigger. Trust me. ;)

Pep 3:04 AM 11/25/11
That is tempting, Clint.

Clint Black 3:04 AM 11/25/11
Nice, Fred! :)

Paul Wade-Williams 3:04 AM 11/25/11
Ah, we have those on Boxing Day and New Year's Day.

Jodi 3:04 AM 11/25/11
:)

Jodi 3:04 AM 11/25/11
you're too kind, Fred!

otherdoc 3:04 AM 11/25/11

Pep 3:04 AM 11/25/11
I need the warehouse flip mat, too.

Fred Dailey 3:04 AM 11/25/11
You all are my peeps. I can do no less. :)

Jodi 3:04 AM 11/25/11

Jodi 3:05 AM 11/25/11

otherdoc 3:05 AM 11/25/11

Pep 3:06 AM 11/25/11
I was supposed to be gaming this weekend but I think it will be canceled.

Jodi 3:06 AM 11/25/11
Thanks Alisa! I count as small business, but since our bread and butter has always been small business, thank YOU!

otherdoc 3:06 AM 11/25/11

Clint Black 3:07 AM 11/25/11
Jim, is your plan to read something other than poetry? Like a blender manual.

otherdoc 3:07 AM 11/25/11
Heheh, yeah actually. I'll be doing stuff from my monologue book.

Pep 3:07 AM 11/25/11
I saw that, Jodi, and that's why I'm tempted...

otherdoc 3:09 AM 11/25/11
Actually for one of them I *did* pretty much lift an entire cookbook recipe for the bulk of it.

Pep 3:09 AM 11/25/11
I'll have to be more selective in my purchases, noww that I have a mortgage.

otherdoc 3:09 AM 11/25/11
That one didn't make it into the book, though.

Jodi 3:09 AM 11/25/11
We know. Gaming lair has to be paid each month, or there's no gaming!

Jodi 3:09 AM 11/25/11
The sticker shock on that level of debt is pretty daunting at first.

Pep 3:10 AM 11/25/11
I may try to have a little event here sometime mid- or late December.

Daniel Krenzke 3:10 AM 11/25/11

Greg Kerner 3:15 AM 11/25/11

and what are the main books for Hellfrost and Sundered skies?

Paul Wade-Williams 3:15 AM 11/25/11

No need. I'm doing the voucher now. Should be with you shortly

Jodi 3:16 AM 11/25/11

And thank you to you all for joining us in the making of stories. In game and out of them!

Paul Wade-Williams 3:16 AM 11/25/11

HF: Player's Guide, bestiary, and Gazetteer (Expansion next). Skies is just the Sundered Skies setting, with optional Companion

Jodi 3:16 AM 11/25/11

Wiggy, FYI, by closing the site you don't show up in the toolbar, so we can't chat privately with you. Huh, didn't know that.

Jodi 3:17 AM 11/25/11

There are a few adventure books, too, Greg

Greg Kerner 3:17 AM 11/25/11

Can I run HF with just the Player's Guide?

otherdoc 3:17 AM 11/25/11

Well, I should probably get back to editing audio. I've a podcast to release tomorrow! :)

Jodi 3:17 AM 11/25/11

Go for it, Jim! Thanks for joining us tonight!

Greg Kerner 3:17 AM 11/25/11

Jodi, Yeah, I see HF has a lot of stuff including Regional Guides

Paul Wade-Williams 3:18 AM 11/25/11

You can, but there's no monsters. SWD monsters will suffice.

otherdoc 3:18 AM 11/25/11

Take care, folks! Thanks for having me. Very cool way to do Thanksgiving.
:)

Jodi 3:18 AM 11/25/11

Thank YOU!

Greg Kerner 3:18 AM 11/25/11

Ok, I will look over those and All For One. too much good stuff.

Paul Wade-Williams 3:18 AM 11/25/11

@Greg. Voucher code sent

Jodi 3:18 AM 11/25/11

Lucky Greg!

Greg Kerner 3:18 AM 11/25/11

Thanks Wiggy

Greg Kerner 3:19 AM 11/25/11

thanks Jodi.

otherdoc 3:19 AM 11/25/11

Night, guys. See you suddenly! :)

Paul Wade-Williams 3:19 AM 11/25/11

You're welcome. Any problems, drop me a line. Can be used for physical and PDF products, but print carries a shipping charge. If you go for print, please add a note saying that you're using a Beautiful Brains prize coupon. Helps with the accounting or something.

Jodi 3:19 AM 11/25/11

:yawn: I think I might be hitting bedtime, y'all.

Paul Wade-Williams 3:20 AM 11/25/11

Bed time? It's half 3 in the morning! Time to start work!

Greg Kerner 3:20 AM 11/25/11

Does the prize coupon cover shipping?

Jodi 3:20 AM 11/25/11

They have a line item for me at TAG. See if I'm worth it. :)

Clint Black 3:20 AM 11/25/11

Thanks again, Wiggy. As I just noted on FB, truly thankful to know you.

Jodi 3:20 AM 11/25/11

Rob! You're late!

Clint Black 3:20 AM 11/25/11

Way late!

Clint Black 3:20 AM 11/25/11

But awesome to "see" you!

Paul Wade-Williams 3:20 AM 11/25/11

Only if what you buy comes to less than the product + shipping :)
Otherwise you might need to add a few dollars from your own pocket

Jodi 3:20 AM 11/25/11

He's on Cutter time. :)

Robert Hudson 3:20 AM 11/25/11

Just got out of the kitchen and reclaimed my computer from the spouse

Clint Black 3:21 AM 11/25/11

Happy Thanksgiving, Robert!

Paul Wade-Williams 3:21 AM 11/25/11

Cheers, Clint

Robert Hudson 3:21 AM 11/25/11

Her quote: "I'm checking your Facebook stuff."

Jodi 3:21 AM 11/25/11

Say hi to Mary Ann!

Robert Hudson 3:21 AM 11/25/11

Same to you guys - I hope it was awesome!

Jodi 3:22 AM 11/25/11

It was. Missed a great chat. Wiggy here gave away a \$30 voucher, just to be nice.

Robert Hudson 3:22 AM 11/25/11

I hate that I missed it, but not that I don't have to wake up to a kitchen full of dirty dishes.

Paul Wade-Williams 3:22 AM 11/25/11

I'll be back in 3 weeks, folks!

Clint Black 3:22 AM 11/25/11

I just mentioned your game on our forums yesterday (I think it was yesterday).

Jodi 3:22 AM 11/25/11

Goodnight, Wiggy! Thank you Thank you Thank YOU!

Clint Black 3:23 AM 11/25/11

See you then, Wiggy!

Greg Kerner 3:23 AM 11/25/11

nite Wiggy!

Robert Hudson 3:23 AM 11/25/11

Good night, Wiggy!

Paul Wade-Williams 3:23 AM 11/25/11
I'm not leaving yet, :) Just reminding folks I was hosting again soon :)

Paul Wade-Williams 3:23 AM 11/25/11
Unless you want me to go, that is...

Clint Black 3:23 AM 11/25/11
NO!

Clint Black 3:23 AM 11/25/11
:)

Robert Hudson 3:23 AM 11/25/11
I trust you exaggerated shamelessly, Clint? =)

Jodi 3:23 AM 11/25/11
No!

Paul Wade-Williams 3:24 AM 11/25/11
He crossed his fingers as he typed ;)

Jodi 3:24 AM 11/25/11
(I mean to Wiggy)

Jodi 3:24 AM 11/25/11
Do you Brits do a Thanksgiving thing?

Jodi 3:24 AM 11/25/11
Not for the same reason we do, of course. :)

Jodi 3:24 AM 11/25/11
@Rob, Clint is writing you a book.

Clint Black 3:25 AM 11/25/11
Someone mentioned how our system did "editions" right, not really changing the rules much, just tweaking and refining. Other systems were mentioned like that, and I said I played in your game and it was like stepping back into Justice, Inc all over again.

Paul Wade-Williams 3:25 AM 11/25/11
Nope. I think our Christmas celebrations are more important to us than they are to you. Four public holidays (3 in England) within a week :)

Jodi 3:25 AM 11/25/11
Wow. Do they close everything for the week?

Jodi 3:25 AM 11/25/11
I know Christmas and Boxing Day, but what are the other two?

Robert Hudson 3:25 AM 11/25/11
I think Congress uses that system, Paul

Paul Wade-Williams 3:26 AM 11/25/11

Many factories close for two weeks, but shops tend to close only on Christmas Day and New Year's Day.

Clint Black 3:26 AM 11/25/11
Psst, its Wiggy, Robert.

Jodi 3:26 AM 11/25/11
Cool.

Robert Hudson 3:26 AM 11/25/11
Sigh.

Paul Wade-Williams 3:26 AM 11/25/11
New Year's Day is a public holiday, and so is January 2 in Scotland

Guest Don 3:26 AM 11/25/11
And, yet, Thanksgiving in the US and Canada have their origins. in part, in European post harvest traditions

Robert Hudson 3:26 AM 11/25/11
Sorry - I am reengaging the Rob-Brain

Jodi 3:26 AM 11/25/11
Clint's factory closes for the week of Christmas and Fourth of July.

Paul Wade-Williams 3:26 AM 11/25/11
Yeah, no one calls me Paul except my doctor, and I ignore her

Clint Black 3:26 AM 11/25/11
January 2nd, Recovery Day in Scotland!

Paul Wade-Williams 3:27 AM 11/25/11
Yep. And up here we have another public holiday on the last Wednesday of January, the day after we set fire to the ship

Jodi 3:27 AM 11/25/11
You guys have the BEST traditions!

Paul Wade-Williams 3:27 AM 11/25/11
Gets very dark up here. Burning stuff helps us cope.

Robert Hudson 3:27 AM 11/25/11
@Clint - Thanks for the kind words.

Guest Don 3:27 AM 11/25/11
Guy Fawkes Night!

Jodi 3:28 AM 11/25/11
Clint, note this. After the girls are out of the house, we go to England for the holidays. For a month, if we can.

Paul Wade-Williams 3:28 AM 11/25/11
Yep, but sadly not a public holiday. Halloween is nowhere as big here, either.

Paul Wade-Williams 3:28 AM 11/25/11
You guys get two public holidays at Easter?

Jodi 3:28 AM 11/25/11
Commericalism has a lot to do with our crazy holidays, I'm afraid.

Clint Black 3:29 AM 11/25/11
Probably not as big on Valentine's Day either, since I understand it was commercially created pretty much.

Paul Wade-Williams 3:29 AM 11/25/11
Veteran's Day is a holiday, right? We hold our remembrance on a Sunday

Robert Hudson 3:29 AM 11/25/11
Christmas decorations went out in palces here before Halloween, Jodi - I have to agree.

Paul Wade-Williams 3:29 AM 11/25/11
Valentine's Day they try to push, but it's not as big

Jodi 3:29 AM 11/25/11
It depends. We get Easter off, and banks and government get Good Friday and Easter Monday, but the schools attend on Good Friday. sometimes.

Guest Don 3:29 AM 11/25/11
unfortunately, true about commercialism.

Paul Wade-Williams 3:29 AM 11/25/11
Hah, harrods had its Christmas lights up before I came to GenCon.

Robert Hudson 3:30 AM 11/25/11
Veteran's Day is a holiday, Wiggy.

Jodi 3:30 AM 11/25/11
Seriously?!

Paul Wade-Williams 3:30 AM 11/25/11
'Fraid so, Jodi.

Clint Black 3:30 AM 11/25/11
Wow. If they stay up until Origins, I hear they get a prize.

Jodi 3:30 AM 11/25/11
Yep, but our kids go to school on Veteran's Day sometimes, and MLK day sometimes.

Robert Hudson 3:30 AM 11/25/11
<shakes head> Unbefreakingliveable

Jodi 3:30 AM 11/25/11
This past year was a bad one for snow days.

Paul Wade-Williams 3:31 AM 11/25/11

Good Friday and Easter Monday are public holidays here. We also get the first and last Monday of May, and the last Monday in August.

Jodi 3:31 AM 11/25/11

And the state makes them squeeze in x days between x date and x date, so they even had to do some Saturdays.

Paul Wade-Williams 3:31 AM 11/25/11

We got away lucky last year for snow. The year before it started the Saturday before Christmas and left us in late March

Robert Hudson 3:31 AM 11/25/11

Heck we actually has Snow Days that were taken for *snow* here in alabama; that was the first time since 1993, IIRC

Jodi 3:32 AM 11/25/11

We really only get a few inches like twice in winter, usually. Last winter we got half a foot every week on Wednesday for like a month and a half. Freaky.

Paul Wade-Williams 3:32 AM 11/25/11

Cue Twilight Zone music

Jodi 3:33 AM 11/25/11

I love snow days. But I don't have to struggle in to work or arrange child care.

Paul Wade-Williams 3:33 AM 11/25/11

Last year we had snow before Christmas. i was at dragonmeet (one day con) and the wife and I spent four days in airports on the way home due to snow

Jodi 3:33 AM 11/25/11

We play in it the first day, shovel the second, and regret it the third... then it's usually gone.

Robert Hudson 3:33 AM 11/25/11

It's better for getting to work here at the current house; the old one was not good for that

Paul Wade-Williams 3:34 AM 11/25/11

I don't get snow as an excuse for not working :(

Jodi 3:34 AM 11/25/11

Wow, Wiggy. 4 days sponge bathing in airport bathrooms is NOT the sexy.

Clint Black 3:34 AM 11/25/11

Speaking of the darkness, my one trip to the UK, I spent a few days in Edinburgh around Christmas. I rode up in the train with a fellow who had a hunting lodge even farther north. He said I was lucky to have sun from around 9 AM to 3 PM.

Paul Wade-Williams 3:34 AM 11/25/11

Darn straight.

Jodi 3:35 AM 11/25/11

And I went in the summer with my family....long story, there... and got woken up by the bright sunlight at 3 am!

Guest Don 3:35 AM 11/25/11

I just want to know why many people in/from UK (like one of my instructors) dislike Football being called Soccer by Americans when the term originated there :P

Paul Wade-Williams 3:35 AM 11/25/11

No idea. :)

Clint Black 3:35 AM 11/25/11

It is surprising how far north you are because the gulf stream keeps it warmer than expected.

Paul Wade-Williams 3:35 AM 11/25/11

Just getting Clint the local sun times for the shortest day

Jodi 3:35 AM 11/25/11

Phineas and Ferb did a whole episode on that. Hilarious. :)

Jodi 3:36 AM 11/25/11

Do you get a full day of sunlight ever?

Guest Don 3:36 AM 11/25/11

Jodi, on what?

Paul Wade-Williams 3:36 AM 11/25/11

Not quite

Jodi 3:36 AM 11/25/11

Soccer vs Football

Clint Black 3:36 AM 11/25/11

I'm going to guess 1 hour and 23 minutes.

Guest Don 3:36 AM 11/25/11

lol

Jodi 3:36 AM 11/25/11

I bet you have thick curtains. LOL

Paul Wade-Williams 3:37 AM 11/25/11

Okay, so Dec 21 the sun will rise at 0908 and set by 1457, reaching a dizzying height of 6 degrees above the horizon

Jodi 3:37 AM 11/25/11

Wow. 5 hours of light??

Guest Don 3:37 AM 11/25/11

Ok, everyone, going back to spend time with family. Hopefully, see you next week (unless I have work that day).

Paul Wade-Williams 3:37 AM 11/25/11
Summer time is sunrise at 0338, sunset at 2234, with only twilight in between (no true darkness). Sun hits 53 degrees

Guest Don 3:37 AM 11/25/11
have a good night.

Clint Black 3:37 AM 11/25/11
Wait, a 6 degree arc means it won't really be light for the first and last part of that.

Jodi 3:37 AM 11/25/11
BTW, Greg, did you get to enjoy the day today at all? Get any turkey? Just realized it's dinner time where you are.

Paul Wade-Williams 3:38 AM 11/25/11
Exactly. The twilight is very long here

Robert Hudson 3:38 AM 11/25/11
I've never understood the light=restricting sleep thing. it's not one of my weirdnesses.

Clint Black 3:38 AM 11/25/11
Night Greg!

Guest Don 3:38 AM 11/25/11
Finished right before I came to the chat. Spent it with my mom and brother. One of my best friends was supposed to come after work since his family is in Nevada, but he got sick. Tomorrow, my aunt and stepmom are joining us for round two.

Jodi 3:39 AM 11/25/11
Rob, it so works on me. In these dark times (ha) I have to turn on my bedside light to wake me up. Alarm alone doesn't cut it.

Jodi 3:39 AM 11/25/11
Good! Enjoy!

Jodi 3:39 AM 11/25/11
(to Greg)

Jodi 3:39 AM 11/25/11
(not that the rest you can never enjoy anything again)

Guest Don 3:40 AM 11/25/11
Will do. night Clint. lol (@jodi)

Jodi 3:40 AM 11/25/11
*ever. double negative

Jodi 3:40 AM 11/25/11
Good night, Greg!

Robert Hudson 3:40 AM 11/25/11

@Jodi: I was the envy of my platoon in Basic Training after I got caught sleeping while standing up about Week Two of Basic.

Jodi 3:40 AM 11/25/11

I think we should go, too. Clint has to do a lot of yard work tomorrow.

Jodi 3:41 AM 11/25/11

Wow. I'm jealous, too.

Clint Black 3:41 AM 11/25/11

Yeah... wait, I have to do what?

Robert Hudson 3:41 AM 11/25/11

The pushups were probably worth it.

Jodi 3:41 AM 11/25/11

:)

Paul Wade-Williams 3:41 AM 11/25/11

Well, I shall bid you adieu! Enjoy the rest of your holidays!

Robert Hudson 3:41 AM 11/25/11

I traded yard work for kitchen duty this year; I think I'm ahead.

Clint Black 3:41 AM 11/25/11

I got both!

Robert Hudson 3:41 AM 11/25/11

Good noight, Wiggy

Jodi 3:41 AM 11/25/11

I'd take that deal too Rob.

Clint Black 3:42 AM 11/25/11

Night, Wiggy. Thanks again, buddy!

Paul Wade-Williams 3:42 AM 11/25/11

Night, Rob, Clint, and Jodi, and any lurkers

Robert Hudson 3:42 AM 11/25/11

Maybe you need to brush up on the negotiation technique, Clint. =)

Jodi 3:42 AM 11/25/11

Goodnight y'all. "See" you in the chat again soon!

Robert Hudson 3:42 AM 11/25/11

Good night!

Clint Black 3:43 AM 11/25/11

Yep, i'm done I'm afraid. Glad you made it, Robert. Worth the wait.

Clint Black 3:44 AM 11/25/11

You can scroll back up and read what we discussed. A bit random but cool.

Robert Hudson 3:44 AM 11/25/11

Always good chattign with you guys. Go sleep, and try not to imagine all those leaves have my face as you stomp on them tomorrow! =)

Clint Black 3:44 AM 11/25/11

NOOOO!!!!

Robert Hudson 3:45 AM 11/25/11

LOL!

Clint Black 3:46 AM 11/25/11

It's better in the Vader voice.

Robert Hudson 3:46 AM 11/25/11

I imagined in the 'Khaaan!' voice so it was pretty good.

Robert Hudson 3:50 AM 11/25/11

Having now zoomed through the chat I did miss some interesting bits. But the dishes are done, so it's sort of a win

Robert Hudson 3:53 AM 11/25/11

Not going to hold you here - have a great weekend and I'll see you guys next time around. =)
