Clint Black 1:31 AM 12/30/11
Hi Carol! How have your holidays been?

Erica B 1:32 AM 12/30/11
Hllo!

Clint Black 1:32 AM 12/30/11
Hi Erica!

Carol Darnell 1:32 AM 12/30/11
Busy. But pretty good :)

Carol Darnell 1:32 AM 12/30/11
Hi Erica

Erica B 1:32 AM 12/30/11

Erica B 1:34 AM 12/30/11
It's about a 2 hour drive for me. What time does it start and end?

Erica B 1:34 AM 12/30/11
and how much to get in?

Jodi 1:35 AM 12/30/11
Hi everyone!

Clint Black 1:35 AM 12/30/11

Hi Jodi!

Jodi 1:36 AM 12/30/11
hope you're enjoying the holidays, both of you! Thanks for joining us tonight.

Clint Black 1:36 AM 12/30/11
It's \$28 to pre-reg, and that includes all the food for the day too.

Erica B 1:36 AM 12/30/11
having a good holiday so far, Jodi :)

Clint Black 1:37 AM 12/30/11
We got to go to the Wizarding World of Harry Potter with the girls. Wow,
just wow

Erica B 1:37 AM 12/30/11
is it open style gaming, or should I register to run something?

Jodi 1:37 AM 12/30/11
Oh, Erica, headsup on an entire day of golden Corral food... pace yourself.

Jodi 1:37 AM 12/30/11
Please register to run in at least the first slot!

Clint Black 1:38 AM 12/30/11
If you can make it in time. We've been asked to run a Savage Saturday
Morning

Erica B 1:38 AM 12/30/11
with a 2 hour drive, it's gonna be rough to make that first slot. lol

Erica B 1:38 AM 12/30/11
but I'll try!

Jodi 1:38 AM 12/30/11
We've been asked to bring the Savages to that time slot specifically.

Jodi 1:39 AM 12/30/11
We'll be happy to see you whenever you get there!

Clint Black 1:39 AM 12/30/11
So, we've been on the road for a while. What have we missed on AGC, Carol?

Jodi 1:41 AM 12/30/11
Yes, I want to hear how y'all have been spending the holidays.

Carol Darnell 1:42 AM 12/30/11
We had a 12-days of gaming list - each of us had 12 items/suggestions for
gifts, discussing a long campaign, we discussed some temporal topics for
gaming...

Jodi 1:42 AM 12/30/11
(Oh man I just finished a slice of a scrumptious Orange Slice Fruitcake.)

Jodi 1:42 AM 12/30/11
Is that podcast session up yet?

Jodi 1:43 AM 12/30/11
brb gotta handle something

Clint Black 1:44 AM 12/30/11
I'm guessing the 12 items are reflected in the links for the show? I'm
seeing some nice stuff in those links... and not just ours. ;)

Carol Darnell 1:45 AM 12/30/11

We've got an interview with Hex Games up and the Wraith RPG Buffet session up as well. Yeah, we tried to have as wide a variety as possible.

Clint Black 1:46 AM 12/30/11

Well, it is ALL Games Considered, so that makes sense. :D

Carol Darnell 1:46 AM 12/30/11

We try :)

Clint Black 1:46 AM 12/30/11

Love Dorkness Rising and Chickens in the Mist on there.

Erica B 1:47 AM 12/30/11

lol I just noticed your status message Clint. good one!

Clint Black 1:48 AM 12/30/11

I try

Clint Black 1:48 AM 12/30/11

Carol, do you guys go to Forge in Lexington? Think we are trying it this year.

Carol Darnell 1:49 AM 12/30/11

We haven't gone yet, but Lexington isn't far, I used to drive it twice a week for grad school

Erica B 1:50 AM 12/30/11

Lexington, KY?

Clint Black 1:50 AM 12/30/11

Yep.

Carol Darnell 1:50 AM 12/30/11

Yes

Clint Black 1:51 AM 12/30/11

End of May if I recall correctly

Carol Darnell 1:51 AM 12/30/11

Yes, the 25th through the 27th

Clint Black 1:51 AM 12/30/11

Thanks, Carol

Erica B 1:51 AM 12/30/11

Ah I assumed as such. There's a Lexington not far from me, and if there was a Con there I've never heard of it. :)

Clint Black 1:52 AM 12/30/11

Welcome Mark and Dave!

Dave Girling 1:52 AM 12/30/11

Morning all!

Greg Kerner 1:52 AM 12/30/11

hi all

Mark Kinney 1:52 AM 12/30/11
Hello!

Guest Bill 1:53 AM 12/30/11
Hullo!

Marsha White 1:53 AM 12/30/11
<trying again> Hullo!

Dave Girling 1:53 AM 12/30/11
oh good, you can resize the window

Carol Darnell 1:53 AM 12/30/11
Hi everyone!

Clint Black 1:54 AM 12/30/11
You can also pop it out if you like (the control in in the upper right corner).

Mark Kinney 1:54 AM 12/30/11
How is everyone tonight?

Greg Kerner 1:55 AM 12/30/11
Full from dinner :)

Carol Darnell 1:55 AM 12/30/11
Waiting on dinner, Steve and I both got home late from work.

Marsha White 1:56 AM 12/30/11
Tired from work and entertaining varmints.

Dave Girling 1:56 AM 12/30/11
Enjoying my two weeks off work :)

Carol Darnell 1:57 AM 12/30/11
Oh, awesome :)

Clint Black 1:58 AM 12/30/11
I think the in-laws are feeding me with some awful purpose in mind. Awful, but SO tasty.

Greg Kerner 1:58 AM 12/30/11
Do they serve man?

Dave Girling 1:58 AM 12/30/11
Can you get that with a side of fries?

Clint Black 1:58 AM 12/30/11
It's a cookbook!

Ed Wetterman 1:59 AM 12/30/11
Howdy!

Greg Kerner 1:59 AM 12/30/11
Run, Clint!

Carol Darnell 1:59 AM 12/30/11
Or, for a healthier side, asparagus perhaps ;)

Clint Black 1:59 AM 12/30/11
Hi Ed!

Mark Kinney 1:59 AM 12/30/11
Healthiness is overrated. :D

Greg Kerner 1:59 AM 12/30/11
:D

Clint Black 1:59 AM 12/30/11
Ohmygosh! Robert made at the beginning of the char; it's a Christmas miracle!

Ed Wetterman 2:00 AM 12/30/11
Hmmm...can gamers be healthy, or is our hobby limiting our lifespans? random though

Robert Hudson 2:00 AM 12/30/11
=)

Ed Wetterman 2:00 AM 12/30/11
t

Jodi 2:00 AM 12/30/11
OK, I'm back. Looks like the gang's all here!

Jodi 2:01 AM 12/30/11
Welcome, All Games Considered podcast! Introduce yourselves. :)

Mark Kinney 2:01 AM 12/30/11
I'm Mark Kinney, host and producer of the All Games Considered podcast.

Marsha White 2:01 AM 12/30/11
I'm Mags. I'm a co-host and news directors on the show.

Carol Darnell 2:01 AM 12/30/11
Ed, In my experience, gamers *can* be healthy - but it's not easy.

Carol Darnell 2:01 AM 12/30/11
I'm Carol, I'm co-host and research gal

Dave Girling 2:02 AM 12/30/11
<cheers>

Marsha White 2:02 AM 12/30/11
Carol is also Electronics Guru. She checks to see if "there's an app for that".

Jodi 2:02 AM 12/30/11
Tell us how you got started doing AGC!

Jim Ryan 2:02 AM 12/30/11
Hola!

Marsha White 2:02 AM 12/30/11
IT

Marsha White 2:02 AM 12/30/11
IT'S MARK'S FAULT!!!

Mark Kinney 2:02 AM 12/30/11
I've been at it the longest, being one of the original hosts. (You're welcome Mags. :))

Mark Kinney 2:04 AM 12/30/11
We started back in 2005, me and a guy named Chris Heim, talking about mostly RPGs and some board and card game stuff. I'd noticed several board game shows, but not so much RPG talk at the time, and I knew I was going to be podcasting anyway (it being the new hot tech concept at the time) so it was a natural fit.

Carol Darnell 2:04 AM 12/30/11
I did a review of "Deliria" in 2005 and found myself soon to be an irregular regular :)

Mark Kinney 2:04 AM 12/30/11
Carol came on for that review and eventually joined full time.

Mark Kinney 2:05 AM 12/30/11
Mags started doing RPG Buffet segments at some point, and after cycling through another Chris as a co-host, we invited her on board.

Marsha White 2:05 AM 12/30/11
I submitted a review of 'Kill Puppies For Satan', a game the RPG Buffet had just played. Then the group started submitting more reviews. When Chris II had to move because of work, I was asked to join the cast.

Marsha White 2:05 AM 12/30/11
Or...what Mark said. :)

Clint Black 2:06 AM 12/30/11
Wow, six years. That's amazing.

Carol Darnell 2:06 AM 12/30/11
Chris' are kind of like Spinal Tap's drummers - kinda ;)

Erica B 2:06 AM 12/30/11
Kill Puppies for Satan?

Jodi 2:06 AM 12/30/11
That's longer than some gaming groups.

Greg Kerner 2:06 AM 12/30/11
indie game

Carol Darnell 2:06 AM 12/30/11
It was longer than my first marriage ;)

Mark Kinney 2:06 AM 12/30/11
It feels like it sometimes. :)

Ed Wetterman 2:06 AM 12/30/11
lol

Marsha White 2:07 AM 12/30/11
KPFs is an RPG by Vince Baker. It was the first RPG I ever played by him.
He recently released Apocalypse World.

Carol Darnell 2:07 AM 12/30/11
Then again, so was my Changeling game

Clint Black 2:07 AM 12/30/11
Hopefully, no Chris has ever spontaneously combusted during a show

Mark Kinney 2:07 AM 12/30/11
Not yet.

Jodi 2:07 AM 12/30/11
We see who won out for your attention, Carol! ;)

Dave Girling 2:07 AM 12/30/11
what's this pile of ashes?

Carol Darnell 2:07 AM 12/30/11
I said kinda ;)

Mark Kinney 2:07 AM 12/30/11
We did make the joke in the promo after Mags joined, though. :)

Marsha White 2:08 AM 12/30/11
If you'll notice, the estrogen content in the show has increased over the
years. Look for Mark to accidentally stab himself to death while shaving.
</blackadder>

Dave Girling 2:08 AM 12/30/11
Mark, short for Bob

Robert Hudson 2:08 AM 12/30/11
Wouldn't it be easier to just feed him some pills?

Mark Kinney 2:08 AM 12/30/11
This is why I don't serve snacks while recording. :D

Jodi 2:08 AM 12/30/11
Before I pester you with more of MY questions, does anyone else have
something they want to AGC?

Jodi 2:09 AM 12/30/11
*ask AGC?

Marsha White 2:09 AM 12/30/11
@Robert He won't eat anything I give him since the Egg Salad incident of
2008. :(

Tyler 2:09 AM 12/30/11
What's your typical recording setup for an episode?

Clint Black 2:09 AM 12/30/11

lol

Jim Ryan 2:09 AM 12/30/11
:)

Marsha White 2:10 AM 12/30/11
Here's what we use at All Games Considered:

Mark Kinney 2:10 AM 12/30/11
Typical recording setup involves all of us meeting at my apartment (AKA One AGC Plaza), hashing out a few odds and ends and going over news, then recording news and a main show, and sometimes some additional content as well.

Marsha White 2:11 AM 12/30/11
Software: JazlerShow! Version 1.5.1 : This version is freeware. This software allows you to quick intergrate bumpers, promos, sound f/x, and other audio as you're recording your show.

Marsha White 2:11 AM 12/30/11
Audacity(R) is free, open source software for recording and editing audio. It is available for Mac OS X, Microsoft Windows, GNU/Linux, and other operating systems

Marsha White 2:11 AM 12/30/11
Hardware (mostly via Radio Shack):

Marsha White 2:11 AM 12/30/11

Marsha White 2:11 AM 12/30/11

Marsha White 2:11 AM 12/30/11

Ed Wetterman 2:12 AM 12/30/11
How do ya'll decide what games to consider for each podcast?

Marsha White 2:12 AM 12/30/11
Mike Stand: Desk Mic Stand (catalog# 33-370).

Marsha White 2:12 AM 12/30/11
Mike Filter: Large Acoustic Foam Microphone Windscreen (catalog# 33-4001).

Marsha White 2:12 AM 12/30/11
Headphones

Marsha White 2:12 AM 12/30/11

Marsha White 2:12 AM 12/30/11
And, of course, a laptop.

Carol Darnell 2:13 AM 12/30/11
3 laptops usually :)

Mark Kinney 2:13 AM 12/30/11
And half the time the news is on my Kindle.

Carol Darnell 2:13 AM 12/30/11
I like to be online monitoring the social media (though that's a more recent development) and looking up links and info on the spot when needed.

Marsha White 2:13 AM 12/30/11
Yes. Mark's laptop records the show, and Carol and I bring our own.

Mark Kinney 2:14 AM 12/30/11
What games we cover tends to be a mix of long term planning and one of us being "oh, this is so cool we have to talk about it!"

Carol Darnell 2:14 AM 12/30/11
If we're sent a game, or one of us has recently played something that enters the mix as well.

Mark Kinney 2:15 AM 12/30/11
A lot of times we'll have a general topic that particular games get applied to.

Marsha White 2:15 AM 12/30/11
We're all in gaming groups that like to try new things, so it makes coming up with games to talk about pretty easy.

Carol Darnell 2:15 AM 12/30/11
We reach out to the audience and we have a list of audience suggested topics we draw from as well - and more are always welcome

Marsha White 2:15 AM 12/30/11
YES PLEASE SEND SUGGESTIONS.

Jodi 2:16 AM 12/30/11
REALLY?!

Dave Girling 2:16 AM 12/30/11
Since you've started the podcast, what do you think has been the biggest change

Dave Girling 2:16 AM 12/30/11
?

Robert Hudson 2:16 AM 12/30/11
The light is green. =)

Clint Black 2:17 AM 12/30/11
I've said it before, but I'll keep saying it, I love that you guys really do cover so many different games. It's truly what the hobby is all about.

Marsha White 2:17 AM 12/30/11
@Dave: Change in the show, or change in the hobby?

Jodi 2:17 AM 12/30/11

both!

Dave Girling 2:18 AM 12/30/11
hear, hear

Mark Kinney 2:18 AM 12/30/11
Biggest change in the show is it's a lot more serious now, I think. Chris and I tended to be more tongue-in-cheek about things, although we still tried to be informative.

Carol Darnell 2:18 AM 12/30/11
Wow, change in the show? I think we are doing more long-term planning.

Marsha White 2:19 AM 12/30/11
Well, in the hobby, I continue to be surprised by the continuing acceptance of the newer card/board/dice games. I think everyone is playing Munchkin, not just gaming geeks. This is a segment that keeps growing. And the crowdsourcing model (Kickstarter, etc.) is poised to be the biggest game-changer the hobby's seen in quite a while (IMHO).

Marsha White 2:19 AM 12/30/11
As for change in the show: well, they bought me in to save the show, so....
:P

Clint Black 2:21 AM 12/30/11
At least you didn't pull a cousin Oliver on them.

Marsha White 2:21 AM 12/30/11
@Clint LOL

Mark Kinney 2:21 AM 12/30/11
And in RPGs, the podcasting era bridged the visible re-diversification of the hobby from lots of d20 to more other projects. That has been exciting to see. (That's not an us thing, more a "since 2005" thing).

Carol Darnell 2:22 AM 12/30/11
In the hobby - the digital media explosion and more smaller press offerings

Ed Wettermann 2:22 AM 12/30/11
Is there a genre of games you find that are generally more attractive to you as a group? Classic fantasy, modern, modern horror, cyberpunkish, whatever? And I agree that the change from d20 is really good for the hobby.

Mark Kinney 2:23 AM 12/30/11
I have no particular favorite, more migrating from one genre to another as the winds of media drag me.

Marsha White 2:23 AM 12/30/11
I think we're all intrigued by games that are sort of...outliers, perhaps? Off the beaten path? Not that we don't like sword and sorcery, but I've noticed we all like to mix it up.

Carol Darnell 2:23 AM 12/30/11
Modern - Urban Fantasy

Carol Darnell 2:24 AM 12/30/11
But - I love a lot of different games - I am just drawn most of all to Modern

Greg Kerner 2:24 AM 12/30/11
But d20 brought us Mutants and Masterminds and True20 and several awesome third parties that now support Savage Worlds

Eloy-3EG 2:24 AM 12/30/11
hello all

Marsha White 2:24 AM 12/30/11
IT'S ELOY!

Ed Wettermann 2:24 AM 12/30/11
Heya buddy.

Jim Ryan 2:24 AM 12/30/11
(waves)

Erica B 2:25 AM 12/30/11
hello newcomers!

Carol Darnell 2:25 AM 12/30/11
Hello to Eloy and all the others I've missed popping in

Marsha White 2:25 AM 12/30/11
@Greg: Not saying d20 is bad, mind you. I for one love it, and I've talked on the show about my love for MnM!

Eloy-3EG 2:25 AM 12/30/11
:-D

Mark Kinney 2:25 AM 12/30/11
d20 definitely has its plusses; it's a well known system that is still played, and in a lot of ways it brought RPGs through a low point, so what I said shouldn't be taken as anti-d20.

Jodi 2:25 AM 12/30/11
The All Games considered website, BTW: <http://www.agcpodcast.info/>

Steve Discont 2:25 AM 12/30/11
Now, if Changeling was it's own genre...

Carol Darnell 2:25 AM 12/30/11
d20 is still the backbone of the industry I think, but it's not all WoTC, which is good.

Robert Hudson 2:25 AM 12/30/11
Got to run folks - the wife insists on dining out since my pre-New Year's Party cleanathon has rendered the kitchen 'off-limits' thanks to a freshly mopped floor.

Marsha White 2:25 AM 12/30/11
Hullo, Other Steve!

Marsha White 2:26 AM 12/30/11
@Robert: Bye! Happy New Year!

Dave Girling 2:26 AM 12/30/11

Tioraidh @Robert

Mark Kinney 2:26 AM 12/30/11
Take care, Robert!

Robert Hudson 2:26 AM 12/30/11
Everyone have an awesome New Year's!

Jim Ryan 2:26 AM 12/30/11
Take care, man.

Erica B 2:26 AM 12/30/11

Marsha White 2:26 AM 12/30/11
@Dave: Isn't it, like, 3am in the UK?!

Carol Darnell 2:26 AM 12/30/11
LOL Steve ;) BTW - are we playing this Sunday? I'm guessing not, but I wanted to check. take care Robert and have a wonderful New Year!

Ed Wetterman 2:26 AM 12/30/11
happy ny

Greg Kerner 2:26 AM 12/30/11
bye Robert have a good New Years

Steve Discont 2:27 AM 12/30/11
Carol: No, we're not since I'll be in Indy. That reminds me, I'll shoot an e-mail to everyone right now to so we can schedule something.

Marsha White 2:27 AM 12/30/11
@Carol So THAT'S why you're not coming to my brunch!!! <pout>

Dave Girling 2:27 AM 12/30/11
no, it's only 2:26 :) -

Marsha White 2:27 AM 12/30/11
@Dave: 0_0

Marsha White 2:27 AM 12/30/11
You're a loyal fan, brother.

Carol Darnell 2:27 AM 12/30/11
Oh my! Thanks Dave!

Dave Girling 2:28 AM 12/30/11
it's a world wide phenomenomenomenom

Jim Ryan 2:28 AM 12/30/11
I'm beginning to think they don't actually sleep in the UK. ;)

Marsha White 2:28 AM 12/30/11
@Dave MEE MEE muh-DEE-dee </Muppets>

Jodi 2:28 AM 12/30/11
@Jim +1!

Marsha White 2:29 AM 12/30/11
@Jim: They're vampires, the lot of them!

Clint Black 2:29 AM 12/30/11
@Mags Phenomena?

Jim Ryan 2:29 AM 12/30/11
(Goodness knows, I didn't get any sleep the five days I was there...)

Mark Kinney 2:29 AM 12/30/11
Thank you for putting that song back in my head...

Marsha White 2:29 AM 12/30/11
@Clint Meep MEE-deep MEEP! </muppets>

Eloy-3EG 2:29 AM 12/30/11
sleep? whats sleep?

Dave Girling 2:29 AM 12/30/11
@Mags especially when you see what we've been eating

Jim Ryan 2:29 AM 12/30/11
@Eloy It's that thing people who don't design games do.

Ed Wetterman 2:29 AM 12/30/11
Yeah...no kidding...do do do do...uuuggghhh

Dave Girling 2:30 AM 12/30/11
next question...

Carol Darnell 2:30 AM 12/30/11
sigh I just got that OUT of my head...

Clint Black 2:30 AM 12/30/11
You're welcome, Mark. <high fives Mags>

Eloy-3EG 2:30 AM 12/30/11
ah, gotcha. silly mortals

Jim Ryan 2:30 AM 12/30/11
lol

Marsha White 2:30 AM 12/30/11
@Dave: Isn't the nat'l dish of the UL curry these days?

Marsha White 2:30 AM 12/30/11
@Clint: High 5 0/

Dave Girling 2:30 AM 12/30/11
Chicken Tikka Masala was invented in Glasgow

Marsha White 2:31 AM 12/30/11
@Dave: That explains a lot, actually.....

Marsha White 2:32 AM 12/30/11
Another question, folks?

Steve Discont 2:33 AM 12/30/11

Have there been any topics that you three have wanted to cover, that you just haven't felt you've had to time to give proper attention to, or that may have been controversial to the point that you put it aside to a later date?

Jodi 2:33 AM 12/30/11

What cons do you go to (as AGC)?

Marsha White 2:34 AM 12/30/11

RE: Cons - Well, we go to GenCon and Conglomeration (I'm Program Director of Conglom)

Carol Darnell 2:34 AM 12/30/11

@Jodi ConGlomeration, GenCon, Hypericon...

Mark Kinney 2:34 AM 12/30/11

@Steve For my part, I'm not as worried about controversy. I think the others can fill in better about the time/attention factors on some things, although we've tended to eventually get to most of them.

Mark Kinney 2:35 AM 12/30/11

As to cons, what Carol said. I'm always open to more, though; I've got a few "one of these years" cons on my list.

Greg Kerner 2:35 AM 12/30/11

What things would you classify as controversial?

Carol Darnell 2:35 AM 12/30/11

@Steve There are always more topics than time for us. Not as worried about the controversy...we've ticked off folks before

Marsha White 2:35 AM 12/30/11

@OtherSteve: It's more an issue of having time to research a topic properly to do it justice. I want to do a sexism and gaming panel for a while, for example.

Ed Wetterman 2:37 AM 12/30/11

Okay i was gonna make a comment, but it was off color and I thought better of it! See Jodi, I'm learning....

Carol Darnell 2:37 AM 12/30/11

Oh yes, regarding what Mark said, I want to go to Origins, and the Pax cons as well

Mark Kinney 2:37 AM 12/30/11

We talked about piracy way back in the early days, and we've done a show on the player's religion and gaming (mostly Christian, since that's where a lot of the heat seems to come in).

Marsha White 2:37 AM 12/30/11

@OtherSteve: Oh, and we want to do "There's an App For That II: Electric Boogaloo". But every time we turn around, another electronics product comes out!

Dave Girling 2:37 AM 12/30/11

Essen

Tyler 2:37 AM 12/30/11

I can attest PAX East is rather good for tabletop gaming.

Marsha White 2:37 AM 12/30/11

@Dave: Are you offering to pay for us to go to Essen?

Mark Kinney 2:37 AM 12/30/11

Origins, Essen, and Con on the Cob are my big want-tos.

Carol Darnell 2:37 AM 12/30/11

Essen would be awesome

Eloy-3EG 2:38 AM 12/30/11

I've been looking into PAX east myself. it does seem like it's a LOT of fun

Dave Girling 2:38 AM 12/30/11

if i had thatn sort of money..

Jim Ryan 2:38 AM 12/30/11

What games are you playing most often these days?

Carol Darnell 2:38 AM 12/30/11

As would CotC and I would like to go to Con Nooga too

Dave Girling 2:38 AM 12/30/11

i'd be getting to gencon

Marsha White 2:38 AM 12/30/11

@Eloy I know a guy who goes and is a regular volunteer at PAX East--we were talking about it today at work.

Mark Kinney 2:39 AM 12/30/11

Mark's most often played games these days: Savage Worlds, QAGS, Fiasco.

Jodi 2:39 AM 12/30/11

@Ed, I never doubted you could. :)

Marsha White 2:39 AM 12/30/11

@Jim: Right now I'm just on the RPG Buffet's schedule. I'm looking to do something a little later in the year, though.

Greg Kerner 2:39 AM 12/30/11

QAGS?

Ed Wettermann 2:39 AM 12/30/11

@Jodi...really? Cause I know alot of folks have! LOL

Clint Black 2:39 AM 12/30/11

Ew, Mark, you play Savage Worlds? Ew! ;)

Carol Darnell 2:39 AM 12/30/11

Dresden and Changeling right now

Marsha White 2:40 AM 12/30/11

@Greg: Savage Worlds, I'm thinking.

Carol Darnell 2:40 AM 12/30/11
Now now Clint, give it a chance ;)

Mark Kinney 2:40 AM 12/30/11
QAGS is Hex Games' house system. Don't know if I can say the full name in the chat. :)

Mark Kinney 2:40 AM 12/30/11
@Clint I know, right? :)

Dave Girling 2:40 AM 12/30/11
use the british spelling

Ed Wetterman 2:40 AM 12/30/11
LOL

Greg Kerner 2:40 AM 12/30/11
Anyone that plays Savage Worlds should be ashamed (lowers head) :D

Clint Black 2:40 AM 12/30/11
Quick <Bottom> Gaming System

Tyler 2:40 AM 12/30/11
Has the Secret Life of Girl Gamers gone on permanent hiatus?

Mark Kinney 2:40 AM 12/30/11
@Clint Exactly!

Jim Ryan 2:41 AM 12/30/11
Much coolness. Meaning to try QAGS & Dresden soon. Fiasco is of course full of awesome (which I can't seem to stop saying ever). I think I've heard of Savage Worlds, but you'll have to remind me... ;{D

Eloy-3EG 2:41 AM 12/30/11
OOO, clint. you so dirty. :-P

Carol Darnell 2:41 AM 12/30/11
Nice save Clint

Erica B 2:41 AM 12/30/11
Quick Anterior Game System still fits the acronym. lol

Clint Black 2:41 AM 12/30/11
I have kids

Steve Discont 2:41 AM 12/30/11
Well played, Erica.

Clint Black 2:41 AM 12/30/11
Nice, Erica

Carol Darnell 2:41 AM 12/30/11
@Tyler 99% yes

Dave Girling 2:41 AM 12/30/11
Quick Antipodean Gaming System

Mark Kinney 2:41 AM 12/30/11
@Erica Very nice!

Carol Darnell 2:41 AM 12/30/11
There's always that chance, but it's very unlikely

Mark Kinney 2:42 AM 12/30/11
I've encouraged Carol to continue it in some form or another.

Clint Black 2:42 AM 12/30/11
Quick Asterisk Gaming System

Jodi 2:42 AM 12/30/11
Well, who wants PRIZES?!!! AGC have brought an impressive array! First, a Hellas Action Deck, then a copy of Vornheim, then a \$10 DriveThruRPG gift certificate, and last we will give away our usual Free Shipping from Beautiful Brains! So to be part of the giveaway, post a card number and suit (i.e., 4 of Clubs) and Clint will draw from the deck of cards. We'll shuffle between draws, but you only get one prize max. :)

Erica B 2:42 AM 12/30/11
but the meaning is reversed. lol Anterior is top and Posterior is bottom.

Greg Kerner 2:42 AM 12/30/11
6 clubs

Ed Wetterman 2:42 AM 12/30/11
7 Diamonds

Jim Ryan 2:42 AM 12/30/11
Jack of Diamonds

Dave Girling 2:42 AM 12/30/11
Queen of Spades

Tyler 2:43 AM 12/30/11
Ace of Spades.

Eloy-3EG 2:43 AM 12/30/11
10 of hearts

Erica B 2:43 AM 12/30/11
do we choose what prize we want if we win, or choose a new card for each prize?

Carol Darnell 2:43 AM 12/30/11
I would like to, but time constraints make it hard for me to even meet all my AGC commitments

Dave Girling 2:43 AM 12/30/11
beginning to sound like an album listing

Marsha White 2:43 AM 12/30/11
Three of Pentacles? Am I doing this right?

Steve Discont 2:43 AM 12/30/11

As tempting as it is to enter, I'll hold off. I'd feel like I'm being unfair if I enter, since I'm a GM for one of the hosts. XD

Carol Darnell 2:43 AM 12/30/11
:)

Greg Kerner 2:43 AM 12/30/11
Erica, probably the usual. You keep the same card and the prizes go in order.

Tyler 2:44 AM 12/30/11
@Carol It's a shame, but completely understandable. I enjoyed the episodes you did post.

Erica B 2:44 AM 12/30/11
ok

Clint Black 2:44 AM 12/30/11
Cards aren't biased, Steve. That's why Savage Worlds uses them. ;)

Erica B 2:44 AM 12/30/11
5 of hearts

Carol Darnell 2:44 AM 12/30/11
Thank you Tyler

Clint Black 2:44 AM 12/30/11
Erica, we will draw for the prizes in order, using the same cards each time.

Erica B 2:45 AM 12/30/11
ok

Jim Ryan 2:45 AM 12/30/11
@Carol BTW I am a big fan of original Changeling and ran it in live action for quite a while.

Eloy-3EG 2:45 AM 12/30/11
@Jim I'm one of the few that I know that actually loved original changeling. good to know i'm not alone.

Tyler 2:45 AM 12/30/11
I would love to hear Colonel Lou's counter to using cards instead of dice.

Jim Ryan 2:45 AM 12/30/11
@Eloy We need a support group.

Dave Girling 2:45 AM 12/30/11
question: what has been the most underrated and overrated rpg systems of the last 6 years (iyho)?

Carol Darnell 2:46 AM 12/30/11
@Jim Great to meet another fan! I loved the game - but it did require some tweaks

Mark Kinney 2:46 AM 12/30/11
@Dave Hmm, that's a tough one, really.

Carol Darnell 2:46 AM 12/30/11

@Eloy We may not be Legion, but I'm glad there are more of us

Eloy-3EG 2:46 AM 12/30/11
:-)

Marsha White 2:46 AM 12/30/11
@Dave Oooo, good question. Let me ponder....

Jim Ryan 2:46 AM 12/30/11
@Carol Yeah, I always wished the presentation of things hadn't been quite so cagey (as in, scattering the really cool stuff across half a dozen books)

Carol Darnell 2:47 AM 12/30/11
@Dave ouch - yes that one takes some thought.

Dave Girling 2:47 AM 12/30/11
there's a discussion for you

Greg Kerner 2:47 AM 12/30/11
I know my opinion on that question

Jodi 2:47 AM 12/30/11
Greg K wins the Hellas Action Deck!

Mark Kinney 2:47 AM 12/30/11
Yeah, that might make a good show topic, actually.

Carol Darnell 2:47 AM 12/30/11
Overrated? Right now, just off the cuff I'm going to say 4E D&D.
Underrated? Hmm not sure.

Greg Kerner 2:47 AM 12/30/11
What is Hellas?

Jim Ryan 2:48 AM 12/30/11
(applause) (for Greg K winning)

Steve Discont 2:48 AM 12/30/11
Hzhz

Erica B 2:48 AM 12/30/11
huzzah!

Steve Discont 2:48 AM 12/30/11
er haha

Mark Kinney 2:48 AM 12/30/11
Hellas is a game of Greek Heroes in Space, basically. The Action Deck has some more universal factors to it, of course, but a lot of Hellas-focused things as well.

Eloy-3EG 2:48 AM 12/30/11
yay Greg!

Jodi 2:49 AM 12/30/11
Eloy gets Vornheim! Good stuff there for a game designer! ;)

Dave Girling 2:49 AM 12/30/11
from talking to gaming friends here - wizards dropped the ball with 4e

Greg Kerner 2:49 AM 12/30/11
oh. sounds cool.

Erica B 2:49 AM 12/30/11
yay!

Carol Darnell 2:49 AM 12/30/11
And congrats Greg... and Eloy!

Jim Ryan 2:49 AM 12/30/11
(applause)

Greg Kerner 2:49 AM 12/30/11
congrats Eloy

Mark Kinney 2:49 AM 12/30/11
nods Congrats, guys!

Eloy-3EG 2:49 AM 12/30/11
wait, i won something?!?!?!? woot!

Jodi 2:49 AM 12/30/11
Tyler wins the \$10 DriveThruRPG gift certificate!

Tyler 2:49 AM 12/30/11
Holy cow!

Jim Ryan 2:49 AM 12/30/11
(applause)

Carol Darnell 2:49 AM 12/30/11
Congrats Tyler!

Erica B 2:49 AM 12/30/11

Marsha White 2:49 AM 12/30/11
Yay, all the winners!

Mark Kinney 2:49 AM 12/30/11
Congrats Tyler!

Tyler 2:50 AM 12/30/11
Thank you all. Everyone here made it possible.

Erica B 2:50 AM 12/30/11
lol

Eloy-3EG 2:50 AM 12/30/11
yay indeed

Greg Kerner 2:50 AM 12/30/11
Congrats Tyler

Jodi 2:50 AM 12/30/11
EricaB wins Free Shipping! Good timing, right Erica? :)

Dave Girling 2:50 AM 12/30/11
wd all

Jim Ryan 2:50 AM 12/30/11
(more applause)

Erica B 2:50 AM 12/30/11
Huzzah! How many points to I receive?

Mark Kinney 2:50 AM 12/30/11
Congrats everyone!

Erica B 2:50 AM 12/30/11
*do

Erica B 2:50 AM 12/30/11
thanks!

Carol Darnell 2:51 AM 12/30/11
Congrats Erica!

Eloy-3EG 2:51 AM 12/30/11
I just want to give a shout out to the All Games Considered crew. They've supported my games and even helped out with tips and advice when i was starting my own podcast, so thank you so much for existing. :-)

Clint Black 2:51 AM 12/30/11
Congrats to the winners

Jim Ryan 2:51 AM 12/30/11
(additional applause)

Jodi 2:51 AM 12/30/11
Mark, post your email for the winners to contact you, please? Erica, I think you remember how the Free Shipping works. :)

Carol Darnell 2:51 AM 12/30/11
Aww, thank you Eloy

Erica B 2:51 AM 12/30/11
yup!

Mark Kinney 2:51 AM 12/30/11
Thanks Eloy :)

Greg Kerner 2:52 AM 12/30/11
congrats Erica.

Mark Kinney 2:52 AM 12/30/11
Contact me at allgamesconsidered@gmail.com for the AGC prizes.

Erica B 2:52 AM 12/30/11
been reading Kerberos Club since Christmas Day. That is a lot of book to plow through!

Erica B 2:52 AM 12/30/11
thanks greg!

Greg Kerner 2:52 AM 12/30/11
I'm going though Hellfrost, War of the Dead, and Smallville

Marsha White 2:53 AM 12/30/11
@Dave: RE: over- and under-rated games, I would says Monte Cook's WoD for underrated, and 4e for overrated. IMHO, of course.

Greg Kerner 2:53 AM 12/30/11
and Little Dears

Greg Kerner 2:53 AM 12/30/11
fears

Tyler 2:53 AM 12/30/11
Little Dears: the Game of Doting Grandparents!

Greg Kerner 2:53 AM 12/30/11
lol

Ed Wetterman 2:53 AM 12/30/11
heh

Mark Kinney 2:53 AM 12/30/11
@Tyler Someone will make it, you know. :)

Jim Ryan 2:54 AM 12/30/11
TO THE WORD PROCESSOR!

Carol Darnell 2:54 AM 12/30/11
LOL

Marsha White 2:54 AM 12/30/11
@Mark @Tyler: Aaaaannd Eloy starts making notes....

Greg Kerner 2:54 AM 12/30/11
Has anyone seen Lady Blackbird. What do you think?

Tyler 2:54 AM 12/30/11
@Mark I accept full responsibility in exchange for a cut of the proceeds.

Marsha White 2:54 AM 12/30/11
@Greg: The Buffet's reviewed it twice, we love it that much.

Carol Darnell 2:54 AM 12/30/11
Hey Mags, have you heard of some game called Lady Blackbird? ;-)

Dave Girling 2:54 AM 12/30/11
own Lady Blackbird - haven't tried it out yet

Tyler 2:54 AM 12/30/11
Was that one of the second helpings, Mags?

Jim Ryan 2:54 AM 12/30/11
@Greg LB is pretty cool - the game I played in was a very nice balance of PC & GM narration

Marsha White 2:55 AM 12/30/11
@Tyler: the first review was, yes.

Marsha White 2:55 AM 12/30/11
<http://www.agcpodcast.info/2010/03/rpg-buffet-5-second-helping-lady.html>

Greg Kerner 2:55 AM 12/30/11
I just downloaded last week and it looked cool to me which is why I asked.

Tyler 2:55 AM 12/30/11
Ta.

Clint Black 2:55 AM 12/30/11
Time for one last question before we are "officially" out of here.

Marsha White 2:56 AM 12/30/11
@Tyler Here's the other review: <http://www.agcpodcast.info/2011/08/rpg-buffet-19-lady-blackbird-redux-and.html>

Carol Darnell 2:56 AM 12/30/11
Hey, since we seem to be looking to Over/Underrated as a topic, how would you all define Underrated?

Dave Girling 2:56 AM 12/30/11
what are you looking forward to in 2012

Tyler 2:56 AM 12/30/11
What's your number one tip for podcasters starting out who want to build their audience?

Marsha White 2:57 AM 12/30/11
@DAVE BUCKAROO BANZAI THE RPG!!!

Eloy-3EG 2:57 AM 12/30/11
@Tyler good question

Marsha White 2:57 AM 12/30/11
@Tyler: Have a schedule, and stick to it! If your audience doesn't know when to expect your show, they'll drift away.

Jodi 2:58 AM 12/30/11
Underrated: When you say you're playing Hollow Earth Expedition! And your fellow gamer says, "What is that?" It is therefore cool and unheard of (by them) so it's underrated.

Ed Wetterman 2:58 AM 12/30/11
I agree. HEE is very cool and very underrated.

Marsha White 2:59 AM 12/30/11
I played HEE once, and I really liked it.

Mark Kinney 2:59 AM 12/30/11

@Tyler Cover something you're passionate about. That really shows through. I also did a zombie movie podcast back when I was starting out. It didn't last, AGC did.

Carol Darnell 2:59 AM 12/30/11

@Dave New offerings from Evil Hat, Buckaroo Banzai, and Victorian Changeling
@Tyler Social media and networking with other podcasters - hint: we love to run promos for other podcasts

Jodi 2:59 AM 12/30/11

(Their fans call it HEX but I can see how that might be confusing)

Mark Kinney 2:59 AM 12/30/11

Hollow Earth Expedition is great. We played it over on the Gutter Skypes once.

Tyler 2:59 AM 12/30/11

/me scribbles notes.

Ed Wetterman 3:00 AM 12/30/11

I've only played it once, read it, and really like the simplicity of it.

Mark Kinney 3:00 AM 12/30/11

As for 2012... hmm... Buckaroo Banzai is a big one.

Jim Ryan 3:01 AM 12/30/11

The Gutter Skypes HEX game was hysterical, by the way. :) (But then, so are most GS games...)

Marsha White 3:01 AM 12/30/11

@Tyler: Yes, make a promo for your podcast, and send it to all the podcasters that cover your topic. Something no longer than 30 seconds, tops. Think about it: when was the last time you willing sat through a 60 or 90 or 120 second commercial?

Jodi 3:01 AM 12/30/11

(We'll be talking about HEX/HEE with Exile Games Feb. 2nd!)

Erica B 3:01 AM 12/30/11

Savage Worlds might count as somewhat underrated. it's been around going on 10 years, with a lot of support from the parent company and 3rd party publishers, but few people I know have heard of it.

Mark Kinney 3:01 AM 12/30/11

I hope to see the generic FATE book by sometime next year, too.

Carol Darnell 3:01 AM 12/30/11

It's not a new game, but my gaming group (consisting of my husband Steve, Josh, Heather and Matt) are going to be playing Pathfinder and DC Adventures next year

Mark Kinney 3:02 AM 12/30/11

Re promos: 30 seconds is ideal, 60 is okay, longer is a special case basis.

Tyler 3:02 AM 12/30/11

@Mags The first time I heard it before realizing it was 60 or more seconds long...

Greg Kerner 3:02 AM 12/30/11

Haven't played HEX. Still have lots of SW books to buy. After SW, I need to finish, M&M 2e, Buffy, Cortex, Smallville and L5R 1e. None of this happens until sometime next year, hopefully.

Dave Girling 3:02 AM 12/30/11

Looking forward to the Pathfinder minis -

Carol Darnell 3:02 AM 12/30/11

Buffy is a lot of fun to play Greg, just sayin' :)

Tyler 3:03 AM 12/30/11

Whoo, Buffy. I use it for BPRD and Doctor Who.

Mark Kinney 3:03 AM 12/30/11

@Jim Thanks! Wait till you hear the Tunnels and Trolls character generation. :)

Greg Kerner 3:03 AM 12/30/11

SW is my underrated. Just hangout at RPG.net were FATE gets much more love.

Marsha White 3:03 AM 12/30/11

@Tyler BPRD?

Ed Wettermann 3:03 AM 12/30/11

I love Buffy! But Darla does it for me...ummm did I say that out loud?
....errr....

Mark Kinney 3:03 AM 12/30/11

@Mags Hellboy.

Tyler 3:03 AM 12/30/11

Snap.

Erica B 3:03 AM 12/30/11

Decipher Games' Lord of the Rings RPG died an ignominious death before they could publish the Return of the King sourcebook. Now, I can't say much for the new One Ring RPG, but the Decipher Games version was very well done. It really captured the feel of Middle Earth in a way other RPGs did not and could not.

Carol Darnell 3:03 AM 12/30/11

@Erica You have a good point about SW too. It has staying power and strong growth, but needs more press

Greg Kerner 3:04 AM 12/30/11

I have Angel RPG, Slayers HB, and Monster Smackdown.

Jim Ryan 3:04 AM 12/30/11

@Mark lol awesome. I'm catching up to the present w/ GS so hopefully I'll get to listen soon (I'm in the low 80s now).

Mark Kinney 3:04 AM 12/30/11

SW and HEX are both good underrated games.

Jodi 3:04 AM 12/30/11

Oh, Dave, thanks for reminding me! I do still have the PRE-ORDERS for the bricks of Pathfinder minis in the store. Get 4 bricks, get the black dragon mini FREE! we also still have some holiday sales up in the store, i'm just not promoting them (a lot) since we aren't shipping anything until after this weekend.

Erica B 3:04 AM 12/30/11

I was very impressed with it. And it withered and died before they could complete much of a product line.

Marsha White 3:04 AM 12/30/11

@Erica: Yes, the Buffet reviewed it & liked it.

Carol Darnell 3:04 AM 12/30/11

@Ed LOL yes, that was your outside voice

Carol Darnell 3:05 AM 12/30/11

Licensed products always run that risk I think. Buffy and Angel are good examples as well I think

Greg Kerner 3:05 AM 12/30/11

Speaking of SW third parties, I wish Dog House would finish Sidewinder Savaged.

Clint Black 3:05 AM 12/30/11

I don't know about SW being "underrated," but certainly many people don't know how successful it truly is.

Tyler 3:05 AM 12/30/11

There's a lot to said for a studios filing of serial numbers when it comes to Something Something: The RPG.

Dave Girling 3:05 AM 12/30/11

@carol - ran into that problem with Leverage - the group love the show but couldn't get to grips with the system

Ed Wetterman 3:05 AM 12/30/11

I wish SW could break out in Texas. Still d20 driven state.

Erica B 3:06 AM 12/30/11

I hope I didn't insult you with that Clint. lol Around where I live, if it ain't Pathfinder, 4e D&D, or Warhammer 40k, it might as well not exist.

Jodi 3:06 AM 12/30/11

Driven to exhaustion, Ed?

Clint Black 3:06 AM 12/30/11

Next week our guest is.. Eloy!

Marsha White 3:06 AM 12/30/11

@Clint Perception matters a lot. Plus: nothing succeeds like success...people want to see what all the fuss is about.

Dave Girling 3:06 AM 12/30/11

wd eloy!

Carol Darnell 3:06 AM 12/30/11

I think region, and one's gaming group is also an issue as to whether a game is over/under

Jodi 3:06 AM 12/30/11

Eloy, give us a tease about next week!

Marsha White 3:06 AM 12/30/11

Hey, yeah! Cool!

Jim Ryan 3:06 AM 12/30/11

@Ed Maybe if you introduce small doses of Savage Worlds into the drinking water...

Ed Wetterman 3:06 AM 12/30/11

Exactly! Too damn big to get in a regular SW group, so play occassionally....

Tyler 3:07 AM 12/30/11

It really comes down to the opinion makers in any particular gaming community.

Carol Darnell 3:07 AM 12/30/11

@Dave I still haven't tried Leverage...there's another one for 2012

Ed Wetterman 3:07 AM 12/30/11

I have Jim. When I was doing 12 to Midnight we hit all the local cons and while we were well recieved, SW was enjoyed, then they went back to d20...

Mark Kinney 3:07 AM 12/30/11

Several of the Gutter Skypes are familiar wiht Savage Worlds; I may have to get that on the docket.

Clint Black 3:08 AM 12/30/11

I don't consider it an insult at all, Erica. It's just perception.

Jim Ryan 3:08 AM 12/30/11

@Ed They must be... reeducated... (mua ha ha)

Greg Kerner 3:08 AM 12/30/11

Leverage is another for me to get. I have Smallville which looks great, but not a game that I think I would run- especially, for my friends (still, I like it much better than Primetime Adventures and glad to have it on my shelf).

Ed Wetterman 3:08 AM 12/30/11

I admit that I'm a SW fanboy (as Clint gleefully calls me out), but I do enjoy Pathfinder.

Jim Ryan 3:08 AM 12/30/11

(Hey, when are they opening those Savage Worlds re-education camps, anyway...?) ;)

Carol Darnell 3:08 AM 12/30/11

The tendency for some gaming communities to be insular can also keep new games from circulating, unless you've got it built in to rotate.

Erica B 3:09 AM 12/30/11

I was a "d20 or I'm not interested" gamer since 3e came out. Savage Worlds changed that for me. lol That should count for something!

Jodi 3:09 AM 12/30/11

region has a lot to do with it, Carol. HEX/HEE is pretty big in the Seattle area where they are.

Dave Girling 3:09 AM 12/30/11

ran savage star wars recently, and it was really good fun

Bavix 3:09 AM 12/30/11

@Jim: I have one in my basement

Carol Darnell 3:09 AM 12/30/11

@Dave that sounds cool!

Erica B 3:09 AM 12/30/11

I still enjoy playing Pathfinder, but if I'm to be behind the screen I'd rather not run anything d20. I'm burned out on it. I've found a renewed appreciation for simplicity.

Dave Girling 3:10 AM 12/30/11

Thanks for the great chat folks - have a great 2012

Mark Kinney 3:10 AM 12/30/11

I still want to get a local Doctor Who game going, and I'd love to get back to Traveller, as well.

Bavix 3:10 AM 12/30/11

@Erica: I think the entire industry and fanbase are going that direction

Ed Wetterman 3:10 AM 12/30/11

@Erica...I enjoy playing Pathfinder for fantasy, but when I write now, I only write for SW! If I run, it's only SW.

Mark Kinney 3:10 AM 12/30/11

Thanks Dave! You as well!

Jim Ryan 3:10 AM 12/30/11

@Bavix lol

Dave Girling 3:10 AM 12/30/11

good night all

Carol Darnell 3:10 AM 12/30/11

Thanks Dave! You too!

Greg Kerner 3:11 AM 12/30/11

Erica, yeah, same here. While I love M&M and True20, I realized my love for D&D and d20Modern was due to the third party companies. After being disappointed by SW Test Drive it was the third party companies (Adamant, RPGObjects and Dog House) announcing their support that got me to give SW another look. So glad that I did.

Ed Wetterman 3:11 AM 12/30/11

Thanks AGC folks. Enjoyed it.

Jim Ryan 3:11 AM 12/30/11

Thanks to everyone for coming!

Jodi 3:11 AM 12/30/11
The more complicated real life gets, the less likely the gamer is into
'crunchy' game systems, as my purely anecdotal evidence proves!

nite all who are leaving!
